4.—(1) The pension payable to a nurse or midwife shall be a
sum of thirty pounds per annum, or such other sum as the 45

(2) In determining the amount of the pension payable to a nurse or midwife who is qualified to receive a pension under section 3 of this Act but who has been registered for a period of less than twenty years by the General Nursing Council of Saorstát Eireann or the Central Midwives' Board of Saorstát Eireann (as the case may be), the Minister may have regard to all or any of the following matters, that is to say:—

(2) Any sums standing to the credit of the Account shall be 15
invested and kept invested at the discretion of the Minister for
Finance on behalf of the Fund in all or any of the following
ways, that is to say, in the purchase of any stock, fund or security

by the Government of Saorstát Éireann, and any interest received
from such investment shall be credited to the Account.

and to authorise any person so appointed to receive 55
on behalf and for the benefit of such claimant or per-
son any pension;

5 (c) for providing that, in the case of a person who being entitled to a pension had made a claim thereto, payment may be made of any sum which, if her claim had been allowed immediately before her death, would have become payable on account of the pension up to the date of her death;

10 (d) for providing that, subject to the regulations, probate or other proof of the title of the personal representatives of the deceased person may be dispensed with in the case of any such sum as is mentioned in the immediately preceding paragraph and that any such sum may be paid or distributed to or among the persons appearing in manner provided by the regulations to be entitled to receive the said sum or any part thereof either as being persons beneficially entitled thereto under any testamentary instrument or as next of kin or as being creditors of the deceased person, or to or among any one or more of such persons exclusive of the others, or in the case of any illegitimacy of the deceased person or any child of hers to or among such person or persons as may be directed by the regulations;
