AND COMMERCE.

SAORSTÁT EIREANN.

BILLE MEACHAN AGUS TOMHAS, 1936.
WEIGHTS AND MEASURES BILL, 1936.

BILL

entitled

5

AN ACT TO AUTHORISE AND VALIDATE THE USE OF CERTAIN STANDARDS IN THE CUSTODY OF THE MINISTER FOR INDUSTRY AND COMMERCE, IN LIEU OF BOARD OF TRADE STANDARDS, FOR THE COMPARISON AND VERIFICATION OF WEIGHTS AND MEASURES IN PURSUANCE OF THE WEIGHTS AND MEASURES ACTS, 1878 TO 1928, AND TO PROVIDE FOR OTHER MATTERS RELATING TO SUCH COMPARISON AND VERIFICATION. 10

BE IT ENACTED BY THE OIREACHTAS OF SAORSTÁT EIREANN AS FOLLOWS:— 15

Definitions and construction.

1.—(1) The expression "the Minister" means the Minister for Industry and Commerce;

the expression "the Acts" means the Weights and Measures Acts, 1878 to 1928; 20

the word "verification" includes re-verification.

(2) The Acts and this Act shall be read and construed together, and accordingly every expression and word used in this Act to which a particular meaning is given by any of the Acts for the purposes of such Act has in this Act the meaning so given. 25

Validation of certain comparisons, etc., of weights and measures.

2.—(1) Whenever the Acts require or stipulate that any particular comparison and verification of weights and measures shall be made with Board of Trade standards, then and in every such case, notwithstanding anything contained in the Acts, any such comparison and verification made (whether before or after the passing of this Act) with the standards in the custody of the Minister and set out in the Schedule to this Act shall be and, in the case of any such comparison and verification made before the passing of this Act, be deemed always to have been a good and sufficient compliance with such requirement or stipulation and shall be and, in the case aforesaid, be deemed always to have been a valid and effective comparison and verification for the purposes of the Acts. 30 35

(2) Where any such comparison and verification with standards in the custody of the Minister as is mentioned in the next preceding sub-section of this section was or shall be made in respect of a weight or measure of which there is not an equivalent weight or measure in the custody of the Minister, such comparison and verification shall be and, if made before the passing of this Act, be deemed always to have been made validly and sufficiently for the purposes of the said sub-section if such comparison and verification is or was made by means of standards in the custody of the Minister which are multiples or aliquot parts of the said weight or measure the subject of such comparison and verification. 40 45 50

3.—Where, in the case of any particular local standard, there has been, at any time before the passing of this Act, or shall be during the period of two years after such passing, a failure to make a comparison or verification required by the Acts to be made in respect of such local standard, such local standard shall not cease or be deemed ever to have ceased to be a local standard by reason merely of such failure.

Validation, etc.,
of local standards.

4.—(1) This Act may be cited as the Weights and Measures Act, 1936.

Short title and
citation.

(2) The Acts and this Act may be cited together as the Weights and Measures Acts, 1878 to 1936.
