(4) As soon as practicable after approving a strategic plan, the Council shall deliver the plan to the Minister.

(5) As soon as practicable after receiving the Financial Services Ombudsman's strategic plan, the Minister shall arrange for a copy of the plan to be laid before both Houses of the Oireachtas.

(6) On becoming aware that subsection (5) has been complied with, the Financial Services Ombudsman shall—

- (a) arrange for the publication of the strategic plan, and
- (b) take all reasonably practical steps to implement it.

Financial Services Ombudsman to provide Council and Minister with reports.

57BV.—(1) The Financial Services Ombudsman is required to provide the Council or the Minister with such reports relating to the activities of the Bureau as the Council or the Minister requires from time to time. However, such a report must not include particulars or comments on any complaint that is then being considered by the Financial Services Ombudsman.

(2) The obligation imposed by subsection (1) is in addition to that imposed by section 57BR.

Financial Services Ombudsman to appear before Oireachtas committee when required.

57BW.—(1) The Financial Services Ombudsman is required to attend a meeting of a joint committee of the Houses of the Oireachtas whenever asked to do so by the committee and to provide such information (including documents) as the committee specifies and as is in the possession of, or is available to, that Ombudsman.

(2) Such a committee is not entitled to request the Financial Services Ombudsman to

provide information relating to any complaint that is currently under investigation. The Financial Services Ombudsman must refuse to comply with a request from the committee to provide it with any such information. 5

CHAPTER 5

How consumer complaints are to be dealt with

Complaints about conduct of regulated financial service providers.	57BX.—(1) An eligible consumer may complain to the Financial Services Ombudsman about the conduct of a regulated financial service provider involving—	10
	(a) the provision of a financial service by the financial service provider, or	
	(b) an offer by the financial service provider to provide such a service, or	15
	(c) a failure by the financial service provider to provide a particular financial service that has been requested.	
	(2) Except in the case of a complaint that may be within the jurisdiction of the Pensions Ombudsman, the Financial Services Ombudsman has sole responsibility for deciding whether or not a complaint is within that Ombudsman’s jurisdiction.	20 25
	(3) A consumer is not entitled to make a complaint if the conduct complained of—	
	(a) is or has been the subject of legal proceedings before a court or tribunal, or	30
	(b) occurred more than 6 years before the complaint is made, or	
	(c) relates to a matter that is within the jurisdiction of the Pensions Ombudsman, or	35
	(d) is of a class prescribed by Council Regulations.	
	(4) A consumer is entitled to make a complaint in respect of the conduct of a regulated financial service provider even if the conduct complained of occurred before the commencement of this section provided the conduct did not occur more than 6 years before that commencement.	40
	(5) For the purpose of subsections (3) and (4), conduct that is of a continuing nature is taken to have occurred at the time when it stopped and conduct that consists of a series	45

of acts or omissions is taken to have occurred when the last of those acts or omissions occurred.

5 (6) A consumer is not entitled to make a complaint unless the consumer has previously communicated its substance to the regulated financial service provider concerned and has given that financial service provider a reasonable opportunity to deal with it.

10 (7) A complaint must be in writing. However, the Financial Services Ombudsman may receive a complaint that is not in writing if that Ombudsman considers it appropriate to do so. In that event, the Financial Services Ombudsman shall reduce the complaint to writing as soon as possible after receiving it.

15 (8) As soon as practicable after receiving a complaint about the conduct of a regulated financial service provider, the Financial Services Ombudsman shall provide the financial service provider and the Regulatory Authority with a copy of the complaint. This subsection extends to any document purporting to be a complaint even if the Financial Services Ombudsman subsequently decides that there is no jurisdiction to deal with the document as a complaint under this Part.

20 (9) The Financial Services Ombudsman may enter into an arrangement with a person under which that person will receive complaints on behalf of that Ombudsman.

25 (10) A complaint received by a person under such an arrangement is, for the purposes of this Part, taken to have been received by the Financial Services Ombudsman.

30 (11) If the Regulatory Authority receives a complaint that appears to be within the jurisdiction of the Financial Services Ombudsman, it shall, without delay, refer the complaint to that Ombudsman for investigation. A complaint referred under this subsection is, for the purposes of this Part, taken to have been made under subsection (1) by the consumer concerned.

35
40
45 Duty of Financial Services Ombudsman to investigate complaints.

57BY.—(1) The Financial Services Ombudsman shall investigate a complaint if satisfied that the complaint is within the jurisdiction of the Financial Services Ombudsman.

50 (2) If, immediately before the commencement of this section, a complaint about the conduct of a regulated financial service provider is being dealt with by mediation, investigation or adjudication by a person under a voluntary scheme for the mediation, investigation

or adjudication of complaints about that kind of conduct, the Financial Services Ombudsman may, with the consent of the complainant and if satisfied that the complaint is within that Ombudsman's jurisdiction, continue with the mediation, investigation or adjudication of the complaint as if the complainant had made the complaint under this Part after that commencement. 5

(3) If, immediately before the commencement of this section, a complaint about the conduct of a regulated financial service provider is being dealt with by mediation, investigation or adjudication by the Regulatory Authority, that Ombudsman may, with the consent of the complainant and if satisfied that the complaint is within that Ombudsman's jurisdiction, continue with the mediation, investigation or adjudication of the complaint as if the complainant had made the complaint under this Part after that commencement. 10 15 20

Financial Services Ombudsman may decline to investigate or to continue to investigate complaint.

57BZ.—(1) Without limiting section 57BY, the Financial Services Ombudsman can decide not to investigate a complaint, or to discontinue an investigation of a complaint, on the ground that— 25

- (a) the complaint is frivolous or vexatious or was not made in good faith, or
- (b) the subject-matter of the complaint is trivial, or 30
- (c) the conduct complained of occurred at too remote a time to justify investigation, or
- (d) there is or was available to the complainant an alternative and satisfactory means of redress in relation to the conduct complained of, or 35
- (e) the complainant has no interest or an insufficient interest in the conduct complained of. 40

(2) The Financial Services Ombudsman may make preliminary inquiries for the purpose of deciding whether a complaint should be investigated under this Part and may request the complainant to provide further written particulars of the complaint within a period specified by that Ombudsman. 45

(3) The Financial Services Ombudsman may decide not to continue to investigate a complaint if the complainant fails within a reasonable period to comply with a request for further written particulars. 50

(4) As soon as practicable after deciding not to investigate a complaint, or to discontinue an investigation of a complaint, the Financial Services Ombudsman shall—

5 (a) inform the complainant in writing of the decision and the reasons for it, and

(b) provide the Regulatory Authority with a copy of the decision.

10 Financial Services Ombudsman to attempt to deal with complaint by mediation in first instance. 57CA.—(1) On receiving a complaint, the Financial Services Ombudsman shall, as far as possible, try to resolve the complaint by mediation.

15 (2) Participation in the mediation by the parties to a complaint is voluntary, and a party may withdraw at any time. The Financial Services Ombudsman may abandon an attempt to resolve a complaint by mediation on forming the view that the attempt is not likely to succeed.

20 (3) Evidence of anything said or admitted during a mediation, or an attempted mediation, of a complaint, and any document prepared for the purposes of the mediation, are not admissible—

25 (a) in any subsequent investigation, under this Part, of the complaint (unless the person who made the admission, or to whom the document relates, consents to its admission), or

30 (b) in any proceedings before a court or a tribunal.

35 (4) If an attempt to resolve a complaint by mediation is unsuccessful, the Financial Services Ombudsman shall—

(a) deal with the complaint by adjudication, and

(b) notify the parties accordingly.

40 Persons entitled to make certain submissions to Financial Services Ombudsman. 57CB.—When investigating a complaint, the Financial Services Ombudsman shall provide the parties with an opportunity to make submissions with respect to the conduct complained of.

Financial Services Ombudsman to conduct investigations in private.

57CC.—The Financial Services Ombudsman shall ensure that investigations are conducted in private.

Progress report to complainant.

57CD.—The Financial Services Ombudsman may, in the course of investigating a complaint, periodically report to the complainant on the progress of the investigation and, in so doing, may make such comments to the complainant on the investigation and its consequences and implications as that Ombudsman thinks fit. 5
10

Financial Services Ombudsman can require regulated financial service provider to give information.

57CE.—(1) To enable a complaint to be investigated, the Financial Services Ombudsman may require the regulated financial service provider concerned and any associated entity of that financial service provider— 15

(a) to provide information either orally or in writing, or

(b) to produce any document or other thing, or 20

(c) to provide a copy of any document,

that appears to that Ombudsman to be relevant to the investigation. However, this subsection does not authorise the Financial Services Ombudsman to require the provision of information, or the production of a document or copy of a document, the communication of which is subject to legal professional privilege. 25

(2) A requirement under this section may be made orally or be in writing but must specify or describe the information, document or thing required, and must fix a time and specify a place for compliance. 30

(3) The power conferred by subsection (1) can be exercised in relation to a regulated financial service provider, or an associated entity of the financial service provider, irrespective of whether the Financial Services Ombudsman has entered the premises of the financial service provider in accordance with section 57CF. 35
40

(4) For the purpose of obtaining information relevant to investigating or adjudicating a complaint about the conduct of a regulated financial service provider, the Financial Services Ombudsman may— 45

(a) summon any officer, member, agent or employee of the financial service provider to attend before that Ombudsman, and

5

(b) examine on oath any such officer, member, agent or employee in relation to any matter that appears to that Ombudsman to be relevant to the investigation or adjudication.

10

(5) Without limiting subsection (4), the Financial Services Ombudsman has the same powers that a judge of the High Court has when hearing civil proceedings that are before that Court with respect to the examination of witnesses (including witnesses who are outside the State).

15

(6) A person who is summoned to appear before the Financial Services Ombudsman under this section is entitled to the same rights and privileges as a witness appearing in civil proceedings before the High Court.

20

(7) Information provided by a person in response to a requirement made under subsection (1), or an answer to a question put to a person in the course of an examination conducted under subsection (4), is not admissible as evidence against the person in criminal proceedings, other than proceedings for—

25

(a) if the information or answer was provided on oath, perjury, or

(b) an offence against section 57CH.

30

Financial Services Ombudsman may enter premises of regulated financial service provider or associated entity of such a provider.

57CF.—(1) When investigating a complaint about the conduct of a regulated financial service provider, the Financial Services Ombudsman may, at any reasonable time—

35

(a) enter and inspect any business premises occupied or used by the financial service provider or by any other body or person who appears to that Ombudsman to be associated with that provider, and

40

(b) inspect any document or thing in or on the premises.

45

(2) If a document is kept in a non-legible form, the Financial Services Ombudsman may request the person apparently in charge of the document to reproduce it in a legible form or to give to that Ombudsman such information as that Ombudsman reasonably requires in relation to the document.

Circuit Court may order person to comply with requirements, etc., of Financial Services Ombudsman.

57CG.—(1) The Financial Services Ombudsman may apply to the Circuit Court for a compliance order against a person if it appears to that Ombudsman that the person—

5

(a) has failed to comply with a requirement made to the person by that Ombudsman under section 57CE, or

(b) has failed to comply with a summons under that section to appear before that Ombudsman for examination, or

(c) having complied with such a summons, has refused to be examined, or

(d) has otherwise obstructed that Ombudsman in the exercise of a power conferred by this Part.

(2) If, on hearing an application seeking a compliance order against a person, the Circuit Court is satisfied that the person has failed or refused to do the act in question, the Circuit Court may make an order requiring the person to do that act.

25

(3) The Circuit Court may not hear an application for a compliance order unless—

(a) the person against whom the order is sought appears at the hearing, or

(b) the Court is satisfied that that person has been served with a copy of the application.

30

(4) On the hearing of an application for a compliance order against a person, the Circuit Court shall set aside a requirement made to the person—

35

(a) to provide information, or

(b) to produce a document or other thing, or

(c) to provide a copy of a document,

40

if it is of the opinion that the person is entitled to claim legal professional privilege with respect to the provision of the information, the production of the document or thing or the provision of the copy.

45

Obstruction of
Financial Services
Ombudsman in the
performance or
exercise of
functions and
powers.

57CH.—A person who—

- (a) obstructs the Financial Services Ombudsman in the exercise of a power conferred by this Chapter, or
- (b) without reasonable excuse, fails to comply with a requirement or request made by that Ombudsman under this Chapter, or
- (c) in purported compliance with such a requirement or request, gives information that the person knows to be false or misleading, or
- (d) refuses to comply with a summons to attend before, or to be examined on oath by, that Ombudsman,

commits an offence and is liable on summary conviction to a fine not exceeding €2,000 or to imprisonment for a term not exceeding 3 months, or both.

Adjudication of
complaints.

57CI.—(1) On completing an investigation of a complaint that has not been settled or withdrawn, the Financial Services Ombudsman shall make a finding in writing that the complaint—

- (a) is substantiated, or
- (b) is not substantiated, or
- (c) is partly substantiated in one or more specified respects but not in others.

(2) A complaint may be found to be substantiated or partly substantiated only on one or more of the following grounds:

- (a) the conduct complained of was contrary to law;
- (b) the conduct complained of was unreasonable, unjust, oppressive or improperly discriminatory in its application to the complainant;
- (c) although the conduct complained of was in accordance with a law or an established practice or regulatory standard, the law, practice or standard is, or may be, unreasonable, unjust, oppressive or improperly discriminatory in its application to the complainant;

- (d) the conduct complained of was based wholly or partly on an improper motive, an irrelevant ground or an irrelevant consideration;
 - (e) the conduct complained of was based wholly or partly on a mistake of law or fact; 5
 - (f) an explanation for the conduct complained of was not given when it should have been given; 10
 - (g) the conduct complained of was otherwise improper.
- (3) The Financial Services Ombudsman shall include in a finding—
- (a) reasons for the finding, and 15
 - (b) any direction given under subsection (4) as a result of the finding.
- (4) If a complaint is found to be wholly or partly substantiated, the Financial Services Ombudsman may direct the financial service provider to do one or more of the following: 20
- (a) to review, rectify, mitigate or change the conduct complained of or its consequences;
 - (b) to provide reasons or explanations for that conduct; 25
 - (c) to change a practice relating to that conduct;
 - (d) to pay an amount of compensation to the complainant for any loss, expense or inconvenience sustained by the complainant as a result of the conduct complained of; 30
 - (e) to take any other lawful action. 35
- (5) The Financial Services Ombudsman may not direct the payment of an amount of compensation exceeding an amount (if any) prescribed by Council Regulations.
- (6) A direction requiring a regulated financial service provider to pay an amount of compensation may provide for interest to be paid at a specified rate if the amount is not paid by a date specified in the direction. 40
- (7) The Financial Services Ombudsman shall give a copy of a finding under this section— 45

(a) to the complainant, and

(b) to the regulated financial service provider to which the complaint relates, and

(c) to the Council, and

(d) to the Regulatory Authority.

(8) If a finding under this section contains a direction under subsection (4), the financial service provider concerned—

(a) shall comply with the direction within such period as is specified in the direction, or within such extended period as the Financial Services Ombudsman allows, and

(b) shall, within 14 days after the end of that period or extended period, notify in writing the Financial Services Ombudsman of action taken or proposed to be taken in consequence of the direction.

(9) Subject to the outcome of any appeal against a finding of the Financial Services Ombudsman in respect of a complaint, the finding is binding on the complainant, the regulated financial service provider concerned and every other person who is a party to the complaint.

Enforcement of
Financial Services
Ombudsman's
directions.

57CJ.—(1) In this section—

‘direction’ means a direction included in a finding made by the Financial Services Ombudsman under section 57CI;

‘enforcement order’ means an order of the Circuit Court to enforce a direction.

(2) If a regulated financial service provider fails to comply with a direction within the period, or by the date, specified in the direction, the Financial Services Ombudsman or the complainant in whose favour the finding was made may apply to the Circuit Court for an enforcement order in respect of the direction.

(3) The Circuit Court may not hear an application for an enforcement order unless—

(a) the regulated financial service provider concerned appears at the hearing as respondent to the application, or

(b) if that financial service provider does not appear at the hearing, the Court is satisfied that a copy of the application has been served on that financial service provider. 5

(4) On hearing an application for an order to enforce the direction, the Circuit Court shall, if satisfied that the direction was one that the Financial Services Ombudsman was empowered to make, make an order requiring the regulated financial service provider concerned to comply with the direction within a period, or by a date, specified in the order. 10

(5) The Circuit Court may not hear an application for an enforcement order in respect of a direction if the regulated financial service provider concerned has appealed against the finding in which the direction is included and either— 15

(a) the finding or direction has not been affirmed (with or without modification), or 20

(b) that financial service provider has not withdrawn the appeal.

(6) If, on the hearing of an application for an enforcement order, the Circuit Court is satisfied that, because of the lapse of time, it would not be possible for the regulated financial service provider concerned to comply with such an order, the Court shall make an order providing the complainant with such redress as it considers appropriate in the circumstances. 25 30

(7) If an enforcement order requires a regulated financial service provider to pay an amount of money, the Circuit Court may direct that financial service provider to pay to the complainant concerned interest on the amount for all or a specified part of the period— 35 40

(a) beginning 4 weeks after the date on which the direction was given to that financial service provider, and

(b) ending with the date of the order.

(8) The interest payable on such an amount is to be at the rate referred to in section 22 of the Courts Act 1981. 45

References and Appeals under this Part to the High Court

5 Financial Services Ombudsman may refer question of law to High Court. 57CK.—(1) When dealing with a complaint, the Financial Services Ombudsman may, on that Ombudsman’s own initiative or at the request of the complainant or the regulated financial service provider concerned, refer for the opinion of the High Court a question of law arising in relation to the investigation or adjudication of the complaint.

10 (2) The High Court has jurisdiction to hear and determine any question of law referred to it under this section.

15 (3) If a question of law has been referred to the High Court under this section, the Financial Services Ombudsman may not—

20 (a) make a finding to which the question is relevant while the reference is pending, or

(b) proceed in a manner, or make a decision, that is inconsistent with the opinion of the High Court on the question.

Right of appeal to High Court against Financial Services Ombudsman’s finding. 57CL.—(1) If dissatisfied with a finding of the Financial Services Ombudsman, the complainant or the regulated financial service provider concerned may appeal to the High Court against the finding.

25 (2) The Financial Services Ombudsman can be made a party to an appeal under this section.

(3) An appeal under this section must be made—

30 (a) within such period and in such manner as is prescribed by rules of court of the High Court, or

(b) within such further period as that Court may allow.

Orders on appeal to the High Court relating to Financial Services Ombudsman’s finding. 57CM.—(1) The High Court is to hear and determine an appeal made under section 57CL and may make such orders as it thinks appropriate in light of its determination.

35 (2) The orders that may be made by the High Court on the hearing of such an appeal include (but are not limited to) the following:

40 (a) an order affirming the finding of the Financial Services Ombudsman, with or without modification;

(b) an order setting aside that finding or any direction included in it;

(c) an order remitting that finding or any such direction to that Ombudsman for review. 5

(3) If the High Court makes an order remitting to the Financial Services Ombudsman a finding or direction of that Ombudsman for review, that Ombudsman is required to review the finding or direction in accordance with the directions of the Court. 10

(4) The determination of the High Court on the hearing of such an appeal is final, except that a party to the appeal may apply to the Supreme Court to review the determination on a question of law (but only with the leave of either of those Courts). 15

Appeal stays the finding of the Financial Services Ombudsman.

57CN.—A finding of the Financial Services Ombudsman does not take effect, and may not be implemented, while an appeal under section 57CL or an application under section 57CM(4) is pending in relation to the finding. 20

CHAPTER 7

Supplementary provisions

Protection and other provisions relating to disclosures of information.

(2) A person who discloses information under or for the purpose of this Part does not incur liability for defamation or other civil liability only because of the disclosure. 35

(3) Nothing in this Part affects an obligation or power to provide information apart from this Part.

Power of Court to grant injunctions in certain cases.

57CP.—(1) The High Court may, on an application made by the Financial Services Ombudsman, grant an injunction restraining conduct in which a regulated financial service provider is engaging or in which a regulated financial service provider appears likely to engage, if the conduct is conduct that is being investigated or is proposed to be investigated under this Part. 40 45

5

(2) The High Court may not grant an application under subsection (1) unless of the opinion that the conduct sought to be restrained is likely to prejudice or negate the effect or implementation of a decision that the Financial Services Ombudsman might make under this Chapter if that Ombudsman were to find the complaint to which the conduct relates is wholly or partly substantiated.

10

(3) The High Court may not require the Financial Services Ombudsman to give any undertaking as to damages as a condition for the granting of an injunction in consequence of an application referred to in subsection (1).

15

Financial Services Ombudsman and Council to co-operate with Regulatory Authority and others.

57CQ.—(1) The Council and the Financial Services Ombudsman shall co-operate with the Regulatory Authority (and, in particular, the Consumer Director) and the Pensions Ombudsman with a view to ensuring that the provisions of this Part operate in a way that contributes to promoting the best interests of consumers of financial services and to the efficient and effective handling of complaints.

25

(2) The Council and the Financial Services Ombudsman may make recommendations to the Regulatory Authority, the Consumer Director and the Registrar of Credit Unions with respect to measures that that Authority, Director and Registrar might take so as—

30

- (a) to effectively deal with persistent patterns of complaints made against specified regulated financial service providers or against a specified class of those financial service providers, or
- (b) to improve the way in which regulated financial service providers deal with complaints that are made against them, or
- (c) to effectively deal with any other matter relating to promoting the interests of consumers of financial services.

35

40

45

(3) As soon as practicable after the commencement of this section, the Financial Services Ombudsman, the Pensions Ombudsman and the Regulatory Authority shall enter into a memorandum of understanding setting out the terms under which they agree to give effect to this section.

(2) The Bank may also serve such a notice at the request of another public authority only if it is of the opinion that it would be in the public interest to do so. 40

(3) A notice must specify a reasonable period within which the requirement is to be complied with and, if the notice is served at the request of another public authority, it must specify the name and address of that authority. 45

(4) A regulated financial service provider on whom a notice is served shall provide the

Bank with a compliance statement within the required period.

5 (5) If the compliance statement is provided at the request of another public authority, the financial service provider concerned shall, also within the required period, provide the public authority with a copy of the statement.

10 (6) A compliance statement must specify whether the regulated financial service provider concerned has, during the compliance period specified in the notice, complied with its relevant statutory obligations, or with such of them as are specified in the notice.

15 (7) A compliance statement must also comply with the guidelines (if any) from time to time issued under section 27A(1).

35 (2) Within such period as is specified in the notice, the auditor shall prepare a report about the relevant compliance statement and deliver the report to the financial service provider concerned.

(3) Such a report must—

40 (a) state whether the relevant compliance statement is, in the auditor’s opinion, fair and reasonable in the light of the information obtainable by the auditor, or by an affiliate of the auditor, in the course of undertaking work for the service provider, and

45 (b) if the auditor is of the opinion that the compliance statement is not fair and reasonable, specify the reasons why, in the auditor’s opinion, that statement is not fair and reasonable.

(b) although the person did have that knowledge, the person took all reasonably practicable steps to prevent the commission of the offence.

Grant and refusal of applications for authorisation.

31.—(1) Except as provided by subsection (2), the Bank shall grant an application for an authorisation that complies with section 30. 30

(2) The Bank may refuse an application for an authorisation that complies with section 30 only if it is of the opinion that—

- 40
- (j) the holder of the authorisation suspends payments due to creditors, or is unable to meet any other obligations to creditors of the holder, or
- 45
- (k) if the holder of the authorisation is a branch or subsidiary of a body corporate that has its head office in another country that is an EEA country, the authority of that other country that performs functions similar to those of the Bank under this Part has terminated the authority of that body to carry on a
- 50

(l) the holder of the authorisation, or officer of that holder, is convicted of— 5

(i) an offence against this Part or against any other designated enactment or designated statutory instrument, or

(ii) an offence involving fraud, dishonesty, breach of trust, money laundering or financing terrorism. 10

(2) If the Bank proposes to revoke an authorisation, it shall serve on the holder of the authorisation a notice in writing informing the holder of the Bank's intention to revoke the authorisation. The notice must— 15

(a) specify the grounds on which it is proposed to revoke the authorisation, and 20

(b) inform the holder of the authorisation that the holder may, within 21 days after service of the notice, make written representations to the Bank showing why the authorisation should not be revoked. 25

(3) Not later than 21 days after a notice is served on the holder of an authorisation in accordance with subsection (2), the holder may make written representations to the Bank showing why the authorisation should not be revoked. 30

(4) The Bank may revoke the authorisation only after having considered any representations made by the holder of the authorisation in accordance with subsection (3). 35

(5) As soon as practicable after revoking an authorisation under this section, the Bank shall give written notice of the revocation to the person who was the holder of the authorisation. The notice must include a statement of the reasons for revoking the authorisation. 40

(6) Unless the Appeals Tribunal otherwise orders, revocation of an authorisation under this section takes effect on and from the date of the notice of revocation or, if a later date is specified in the notice, on and from that date, irrespective of whether an appeal against the revocation is made under Part VIIA of the Central Bank Act 1942. 50

36B.—(1) If the Bank reasonably believes that there may be grounds for revoking an authorisation under *section 36A*, it may give to the holder of the authorisation a direction in writing prohibiting it from carrying on a regulated business otherwise than in accordance with conditions specified by the Bank.

(2) A direction given under this section—

(a) must include a statement of the Bank's reasons for giving the direction and specify the conditions with which the holder of the authorisation must comply, and

(b) remains in force for such period (not exceeding 6 months) as is specified in the direction.
