most recently published audited financial statements,

(b) a holding undertaking or, as the case may be, a higher holding undertaking of an undertaking of the kind referred to in subparagraph (a), or

(c) a holding undertaking or, as the case may be, a higher holding undertaking of undertakings engaged, for the time being, in the exploration for or extraction or refinement of a fossil fuel, where the aggregate turnover of such undertakings accounts for 20 per cent or more of the turnover of the group on a consolidated basis, as derived from its most recently published audited financial statements;

‘group’ means an undertaking together with any holding undertaking, higher holding undertaking, subsidiary undertaking and fellow subsidiary undertakings that such undertaking may have;

‘indirect investment’ means an investment of the assets of the Fund in an investment product or in a collective investment undertaking but does not include financial derivative instruments, exchange traded funds or hedge funds;

(4) Notwithstanding subsections (2) and (3), the Agency may invest the assets of the Fund in a fossil fuel undertaking or in a collective investment undertaking the assets of which are invested or will be invested in a fossil fuel undertaking, where the Agency has satisfied itself on reasonable grounds that the investment is intended to be consistent with—
