25. (1) Where by reason of the commission, after the entry into force of the Agreement, of a specified offence in the United Kingdom by a person whose normal residence is the State or who is the holder of an Irish driving licence or a learner permit, a decision
imposing a disqualification from driving on the person for any period is made in the United Kingdom and a competent authority of the United Kingdom notifies the licensing authority in writing in accordance with Article 3 of the Agreement of the disqualification and transmits to the licensing authority—

(a) the information and documents specified in paragraph 1 of Article 6 of the Agreement, and

(b) where appropriate, pursuant to the Agreement, the evidence referred to in paragraph 2 of that Article and the supplementary information referred to in paragraph 3 thereof,

the licensing authority shall make an application to the appropriate judge for the purposes of giving effect to the decision imposing disqualification from driving made in the United Kingdom in accordance with the Agreement.

(2) On application to the appropriate judge in that behalf by the licensing authority that has received a notification under subsection (1) and the other documents and, where appropriate pursuant to the Agreement, the evidence and information referred to in that subsection, the judge shall, on being satisfied as to the matters specified in that subsection and subject to the provisions of this section, make an order declaring the person to whom the notification relates to be disqualified for holding a licence for the period referred to in subsection (1) beginning on such day as may be specified in the order.

(3) (a) In proceedings under subsection (2) a certificate signed by an officer of the licensing authority authorised in that behalf by the chief executive of the licensing authority and stating that a document identified by and attached to the certificate—

(ii) was received by the licensing authority from a competent authority of the United Kingdom in accordance with Article 6 of the Agreement,

shall be admissible as evidence of, as the case may be, the notification, the document or the information so referred to.

(b) A document purporting to be a certificate under paragraph (a) shall be deemed to be such a certificate and to have been signed by the person purporting to have signed it and to have been so signed in accordance with an authorisation of the chief executive of the licensing authority until the contrary is shown.

(4) The period of disqualification for holding a licence to which a person is subjected pursuant to subsection (2) shall not—

(a) exceed the maximum period of disqualification for holding a licence which could be ordered by a court following conviction in the State for an offence consisting of the conduct to which the specified offence concerned relates,

(a) the full period of the driving disqualification has been served in the United Kingdom,

(b) the person concerned has been disqualified under Part III of the Principal Act or the Road Traffic Act 2002 for holding a licence in respect of the conduct constituting the specified offence to which the application under subsection (2) relates and the period of the disqualification is current or has expired,

(c) the period of time between the commission of the specified offence concerned and the institution of the proceedings in respect of it that led to the disqualification referred to in subsection (1) was longer than the period within which proceedings in respect of the conduct would be required by law to be instituted in the State, or

(d) in the circumstances of the case and having considered any information and evidence referred to in Article 6 of the Agreement, the appropriate judge considers that the person concerned has not had an adequate opportunity to defend himself or herself in the proceedings.

(7) The appropriate judge may refuse to make an order under subsection (2) if—

(a) the conduct for which the driving disqualification referred to in subsection (1) was imposed—

(i) does not constitute an offence under the law of the State, or

(ii) does not constitute an offence under the law of the State for which disqualification for holding a licence may be ordered by a court,

or

(b) a period of less than 3 months of the driving disqualification referred to in subsection (1) remains unexpired on the date on which the order falls to be made or the driving disqualification is for a period of less than 3 months.

(8) When the appropriate judge makes or refuses to make an order under subsection (2), the Courts Service shall notify the licensing authority and the licensing authority shall cause the central authority of the United Kingdom to be notified thereof.

(9) Where, by reason of the commission, after the entry into force of the Agreement, of a specified offence in the State by a person whose normal residence is the United Kingdom or who is the holder of a United Kingdom driving licence (including a provisional licence) a driving disqualification is imposed in the State on the person—

(a) the Courts Service shall—

(b) upon receipt by the licensing authority of the notification under paragraph (a) the licensing authority shall, subject to paragraph (a), without delay notify the central authority of the United Kingdom of the driving disqualification, and

(c) the licensing authority shall—

(i) ensure that Article 6 of the Agreement is complied with in relation to the notification and may do, or cause to be done, all things necessary for that purpose, including certification and attestation of any document,

(ii) if necessary, request the Courts Service to provide such further details or information as he or she considers necessary for the purposes of his or her functions under this subsection and the Agreement, and

1. After notification of its Central authority in accordance with Article 3 the Relevant State shall give effect to the decision imposing disqualification from driving made in the State of the offence in accordance with the conditions laid down in clause 2.

2. The Relevant State:
   
   (a) shall take into account any part of the period of the driving disqualification imposed by the State of the offence which has already been served in that State;

   (b) may reduce the duration of the driving disqualification but only to the maximum term provided for acts of the same kind under its national law;

   (c) shall not extend the duration of the driving disqualification imposed by the State of the offence; and

   (d) shall not impose the disqualification beyond the date of the expiration of the disqualification in the State of the offence.

3. When giving effect to a driving disqualification under this Article, the Relevant State shall, where necessary, determine a date from which it will enforce the driving disqualification.

ARTICLE 5

1. The Relevant State shall refuse to give effect to the driving disqualification where:

   (a) the driving disqualification has already been fully served in the State of the offence;

   (b) the offender has already had a driving disqualification imposed on him in the Relevant State for the same acts and that disqualification has been or is being served;

3. If the information communicated in accordance with clauses 1 and 2 is found to be insufficient to allow a decision to give effect to the driving disqualification to be taken, in particular, where in the circumstances of the particular case, there is doubt whether the person concerned has had an adequate opportunity to defend himself, the competent authorities of the Relevant State may request the competent authorities of the State of the offence to provide the necessary supplementary information without delay.

ARTICLE 7

The Relevant State shall inform the State of the offence of any decision taken in respect of a notification given pursuant to Article 3 and in respect of enforcement, and where it refuses to give effect to a driving disqualification pursuant to Article 5, of the reasons for its refusal.

ARTICLE 8

1. The right of the State of the offence to execute in its territory the full period of the driving disqualification determined by the State of the offence shall not be affected by any decision of the Relevant State.

2. When notifying the person concerned of the decision to disqualify, the State of the offence which proposes to apply clause 1 shall at the same time inform the person of this fact, and shall confirm in the notification given in accordance with Article 3 to the Relevant State that it has done so.
ARTICLE 9
Each Contracting State shall adopt the measures necessary to enable it to prohibit the driving of a power driven vehicle in its territory when the driver is disqualified from driving by the Relevant State in implementation of this Agreement.

ARTICLE 10
Costs incurred in implementing this Agreement shall be borne in the Contracting State in which they occur.

ARTICLE 11
Unless requested to do so earlier the Contracting States shall review the implementation of this Agreement 2 years after entry into force of this Agreement, and at any other time both Contracting States otherwise agree to do so.

2. Either of the Contracting States may terminate this Agreement at any time by giving notice to the other through the diplomatic channel; and if such notice is given the Agreement shall cease to have effect six months after the receipt of the notice.
3. This Agreement shall only apply to offences committed after the entry into force of the Agreement.

In witness whereof the undersigned, duly authorised thereto by their respective Governments, have signed this Agreement.
