SECTION 1

1. In page 4, line 14, to delete “both.”” and substitute the following:

“both.

Prohibition of exploration, extraction or exploitation of petroleum

- 5D.** (1) National land and waters should be managed for the benefit of the people of Ireland to avoid the dangerous impacts of climate change and promote a rapid and just transition to clean energy.
- (2) The Minister shall not issue, renew, reinstate, or extend any licence or other exploitation rights for the exploration, extraction, production or prospecting of petroleum onshore or offshore.””.
