**Re: Update on Deloitte Report**

Dear Mr Lenihan,

I refer to your recent correspondence seeking an update on the current position regarding the Deloitte report.

I wish to advise that I will receive the Deloitte report today. I will need time to consider the report and I also intend seeking the consent of the Commission of Enquiry to share the report with the Committee.

As soon as I have considered the report and provided the Commission of Enquiry consents to my sharing it, I will submit the report to the Committee together with any observations I may have.

Yours sincerely,

---
