Hi Pat,

Further to our conversation regarding GSK's attendance at the PAC to discuss corporate taxation, could I propose Thursday March 1<sup>st</sup> as a possible date that would suit? Wednesday February 28<sup>th</sup> would work also but I think the Committee's preference is to meet on a Thursday. As indicated, February 15<sup>th</sup> and 22<sup>nd</sup> will not work for us due to the unavailability of one of our tax experts.

You might revert indicating whether either of these date will work for the members of the Committee.

Regards,  
Liam.
