User Guide - Version 1.1.docx [Untitled].pdf

Dear Margaret,

Please see attached response to your correspondence of 28<sup>th</sup> November. I would be grateful if you could bring this to the attention of the Committee.

I also attach a 'user guide' in relation to commercial arrangement which the PAC sought further details upon. The user guide explains in greater detail for public body clients how the arrangement works, who it is available to, etc.

We will send a copy in the post.

Regards,

Paul
