## Dear Mr Fleming

Further to the Abbey's appearance in front of the Public Accounts Committee of 23 May 2018, it has been brought to my attention by a member of the Abbey Theatre Board that one of my statements to the Committee requires a clarification:

I was asked, by a Member of the Committee, a question concerning the Abbey Theatre's two year plan for implementation of the Code of Practice for the Governance of State Bodies2016 and whether the Theatre was adequately staffed to implement the Code. The correct response should have been that the process of implementation was undertaken in June 2017 and not, as I stated, that it was an ongoing process.

I hope this clarifies matters and apologies for any confusion.

Very best,

Neil
