Reference : Further Information Request for Periodic Report

Dear Ms Falsey,

I refer to your recent e-mail regarding further information in relation to the discussion on procurement at UCC's recent attendance at the Committee of Public Accounts.

The detail on the amount spent on the areas requested are as follows;

- Co-funding and sectoral purchasing arrangements where the University is a partner to another lead entity who itself has procured the service - **€742k**
- Extension of service contracts particularly in relation to ICT and Facilities that originally were awarded competitively - **€349k**
- Emergency spend where the priority was to restore services to Students - **€246k**

Yours sincerely,

**Professor Patrick O'Shea,
President.**
