Ms Margaret Falsey
Committee Secretariat
Committee of Public Accounts
Leinster House
Dublin 2

Dear Ms Falsey

I refer to your letter of 28 September 2018 and your request for a copy of the value for money (VfM) review of Irish Public Bodies which was conducted in 2015 and which was referenced in my response of 3 August.

Please note that the VfM review of Irish Public Bodies was commissioned by the Local Government Management Agency (LGMA) and, as such, the LGMA are the owners of the report. I understand that the review was subject of a non-disclosure agreement entered into between the LGMA, IPB and PWC, who undertook analysis on behalf of the review group. It is not possible, therefore, for me to forward a copy to the Committee.

The Committee may wish to contact the LGMA directly in relation to this matter.

Yours sincerely

Robert Watt
Secretary General
