Re. Update requested by the Public Accounts Committee.

Dear Ms. Fallon,

I refer to your letter of 13th November requesting an update for the Committee of Public Accounts in relation to the outcome of our discussions with the Landlord of Miesian Plaza.

A meeting was held in October between the OPW and the Landlord, Remleys, at board level where we outlined the OPW position. Both the OPW and Remleys undertook to give further consideration to the matter and we are following up with them in this regard.

Yours sincerely,

Maurice Buckley,
Chairman.
