Dear Éilis,

I appreciate the clarification, thank you!

The interim review of progress on the GMIT Mayo Campus Working Group Report was commissioned by the HEA and conducted by Mazars.

I understand that the interim review report is complete or close to completion, and must first be considered by the HEA Board prior to being released.

Once published, we will furnish you with a copy. The HEA are the owners of the interim review report and may be able to provide you with greater clarity as to the expected publication date.

Regards  
Orla

Dear Dr. Flynn,

Thank you for your email and please accept my apologies for the delay in responding to you.

The decision of the Committee was to request that GMIT provide the Committee with a copy of the report once it is published.

The [transcript](#) for the meeting on 11 May states (page 5):

“The review was due for publication in March, but it has been delayed until May.”

I would be grateful if you would indicate when the report is expected to be published and confirm that GMIT can provide the Committee with a copy of the report at that point.

Please note your response may be circulated to the Committee.

Any action of the Committee in relation to your correspondence will be conveyed to you in due course.

Kind regards,

Éilis

Dear Éilis,

I acknowledge receipt of the correspondence below.

It is clear that you have sought a copy of the Interim Review of the 2017 Working Group Report, commissioned by the HEA and carried out by Mazars.

I cannot provide you with a copy of that report as to the best of my knowledge it has not been published yet.

Other than that I am not clear as to what specific additional information you require from me.

Orla
