Re: Ref: S0394PAC33

Dear Mr Hughes,

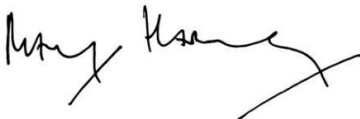

Thank you for your letter of 8 June.

With reference to the third paragraph of your letter, I am aware that on the occasion in question evidence was given to the Committee, on behalf of the University, to the effect that there was a difference between the roles of Director of Strategy and Director of Strategic Projects and Transformation and that the Director of Strategy was responsible for the production of plans and the Director of Strategic Projects and Transformation was responsible for the implementation of those plans. I understand that that evidence was not correct and that a correction or clarification was thereafter made to the Committee by one of the persons who attended the meeting on behalf of the University.

I am not aware of any other matter in respect of which a correction or a clarification was made or should be made.

On behalf of the University, I apologise to the Committee for the need for a correction or a clarification with reference to the matter in question.

Yours sincerely

Mary Harney
Chancellor
