**PAC Letter Ref:** S1462 PAC33

**Query:** RTÉ's losses during 2023 up to the end of September

**Response:**

The seasonality of RTÉ's P&L is not even across the year. With the exception of Licence fee income RTÉ's performance for 2023 is tracking in line with or better than budget.

At the end of September 2023 RTÉ has a negative EBITDA of €11m.
