Dear PAC Chair,

As we prepare for our PAC meeting with the FAI, I propose, with the agreement of the PAC members, to extend our invitation to the HR Director and the former Finance Director of the FAI. We would like them to join us in discussing matters related to financial management and governance within their organisation.

Furthermore, I would like to request that the CEO of the FAI, Mr. Hill, provide the committee with the emails that detail the exceptional circumstances under which an agreement for payments of holidays in lieu was made with the former Independent Chair of the Board, Roy Barrett, its former Finance Director, and HR Director.

This issue was brought up by the Joint Oireachtas Committee on Sports on December 13th, and it was stated that these emails will be needed before the FAI's appearance before the PAC.

Kind Regards,

Alan Dillon TD
