Introduction

The Joint Committee on Disability Matters was established following Orders of Dáil Éireann and of Seanad Éireann on 22 September 2020 and 25 September 2020 respectively. Standing Orders 100(4) (Dáil Éireann) and 77(4) (Seanad Éireann) require that “as soon as may be following its appointment and thereafter at annual intervals, each Select Committee shall prepare a work programme and shall lay such programme before Dáil/Seanad Éireann”.

Remit of the Joint Committee on Disability Matters

In accordance with its Terms of Reference, the Joint Committee considered and made recommendations on its remit and reported on this in December 2020. The Joint Committee considered revised Terms of Reference and these revised Terms of Reference were agreed by Dáil Éireann on the 21 April 2021 and Seanad Éireann on the 24 May 2021 ([Appendix 1](#)).

Public consultation

The Committee’s public consultation regarding the lived experience of people with disabilities on the issues that affect them and their families and/or carers informed the Terms of Reference and Work Programme. This aligns with Article 4 (3) of the United Nations Convention on the Rights of Persons with Disabilities (UNCRPD) which specifically requires the consultation and active involvement of people with disabilities and their representative organisations in decision-making processes concerning issues relating to them.

Key policy priorities

The Joint Committee shall aim for consensus, based on the human rights model of disability as outlined under the UNCRPD, on policy directions in respect of the following issues affecting people with disabilities as directed by its Terms of Reference.

The UNCRPD is a benchmark for the inclusion and participation of people with disabilities in society and as part of the Committee’s role in monitoring the Convention, the Committee has developed its Work Programme in line with emerging themes from the UNCRPD ([Appendix 2](#)).

The Joint Committee is also empowered to consider other policy issues, within its Terms of Reference over the period.

The Committee may hold public meetings under its Work Programme to monitor progress of the drafting and initiation of required and relevant legislation needed to implement the UNCRPD, as set out in the Terms of Reference.

Similarly, non-inclusion of a topic does not preclude the Committee from considering such areas.

This Work Programme for 2022 of the Joint Committee on Disability Matters was agreed by the Joint Committee at its meeting on 14 February 2022. In accordance with Standing Orders of Dáil Éireann and Seanad Éireann, it was agreed that the Work Programme be laid before
