**Further Commentary following announced integration of
Broadcasting (Amendment) Act 2019 with the Online Safety and
Media Regulation Bill 2020 (July 2021)**

Regarding the integration of the Broadcasting (Amendment) Act 2019 Oireachtas TV has no issues to raise in relation to the additional Heads 1 and 2.

In relation to Head 3, Oireachtas TV is of the opinion that it would have been useful to include a reference in section 1, in a separate subsection, to the output of the Houses of the Oireachtas as coming within the definition of public service content and, in section 2 (a), to mention Oireachtas TV as a public service content provider, along with RTÉ and TG4.
