Social Housing Investment Programme - Acquisition of properties for Social Housing use

Circular Housing 15/2019

Dear Director,

I refer to Circular: Housing 15/2019 dated 17 April 2019 regarding revised cost guidelines for the acquisition, by housing authorities, of houses and apartments for use as social housing units.

That Circular stated that updated cost guidelines would issue under separate cover. The table at Appendix 1 now shows the updated cost guidelines for your local authority area and replaces the information issued to you on 8 February 2018 in Circular Housing 11/2018.

In order to ensure no disruption to acquisition programmes already in train these newly revised cost guidelines will apply to acquisitions where contracts are signed and **closed on or after 1 April 2019.**

Any queries in relation to this letter should be directed to the Higher Executive Officer dealing with your local authority. See contact details attached at Appendix 2.

Yours faithfully,

Aidan O'Reilly
Principal Officer
Social Housing Capital Investment
