¹ In respect of HAP, Limerick City and County Council provides a highly effective HAP transactional shared service on behalf of all local authorities. This HAP Shared Services Centre (SSC) manages all HAP related rental transactions for the tenant, local authority and landlord. The Department does not recoup individual local authorities in respect of HAP rental payments in their administrative areas but rather recoups all landlord costs via the HAP SSC.

² In respect of homelessness funding, the administration of homeless services is organised across nine administrative regions, with one local authority in each of the regions acting as 'lead authority'. The role of the lead authority for each region includes the disbursement of exchequer funding across the region. The lead authorities for the regions are Dublin City, Kildare, Limerick, Louth, Sligo, Waterford, Westmeath, Cork City and Galway City. Financial reports from each of the homeless regions, setting out expenditure on homeless services for 2016 - 2025 are published on my Department's website at the following link:
