Data is as of 2nd January 2026.

Please note that fee only awards have not yet been paid as reconciliation of fees occurs in April/May each year. Once reconciliation is complete in Spring 2026, SUSI will pay awarded fees for the 2025/26 academic year directly to the institutions.

* Please note that these figures are likely to change as SUSI continues to process applications for academic year 2025/26.

** Please note that to ensure compliance with data protection regulations and safeguard the privacy of grant applicants, SUSI redacts any datasets where the number of values is 20 or less. This measure is taken out of an abundance of caution to prevent the potential identification of individuals, even in anonymised data.

Number of paid applications for the 2023/24, 2024/25 and 2025/26 academic years, for each NFQ level from PLC Level 5 to PhD/Doctorate level 10, and each level of grant funding

Data is as of 2nd January 2026.

* Please note that these figures are likely to change as SUSI continues to process applications for academic year 2025/26.

** Please note that to ensure compliance with data protection regulations and safeguard the privacy of grant applicants, SUSI redacts any datasets where the number of values is 20 or less. This measure is taken out of an abundance of caution to prevent the potential identification of individuals, even in anonymised data.
