Dear Deputy O'Connor,

I refer to your Parliamentary Question 75103/25 of 13th January 2026:

"To ask the Minister for Children; Disability and Equality the number of projects in her Department that were delayed in 2023 and 2024 due to the change of document from the Public Spending Code to the Infrastructure Guidelines, in tabular form; and if she will make a statement on the matter."

The Department has reviewed the details of projects carried out in 2023 and 2024, and I can confirm that no projects have been identified as having been delayed due to the change of document from the Public Spending Code to the Infrastructure Guidelines.

I hope that you find this information helpful.

Regards,
