Dear James,

I refer to Parliamentary Question 13504/26 (below) answered on the 19th February.

“To ask the Minister for Enterprise; Tourism and Employment if he will outline each section of enacted legislation, where the responsibility lies in the Minister to commence that section, that has not been commenced; if he will outline each section of enacted legislation which provides for the making of regulations by the Minister that have not been made by the Minister; if he will outline all sections of enacted legislation or secondary legislation which provide for the publication of guidelines by the Minister that have not been published, in tabular form; and if he will make a statement on the matter..”

The response indicated that it had not been possible to compile the requested information in the time available. Details of the relevant legislative provisions falling under my Department's remit in the period 2016-2026 are now set out below.

I trust this information is of assistance.

Yours sincerely,
