ELECTORAL ACT 1992

EXTRACTS

as amended by the Electoral (Amendment) Act 2001, the Electoral (Amendment) Act 2002 and the Electoral (Amendment) Act 2007

Part XIX RULES FOR THE COUNTING OF THE VOTES

Interpretation (Part XIX). 118. - (1) In this Part—

"continuing candidate" means any candidate not deemed to be elected and not excluded;

"count" means-

- (a) all the operations involved in the counting of the first preferences recorded for candidates;
- (b) all the operations involved in the transfer of the surplus of a candidate deemed to be elected;
- (c) all the operations involved in the transfer of the votes of an excluded candidate; or
- (d) all the operations involved in the transfer of the votes of two or more candidates together;

"deemed to be elected" means deemed to be elected for the purpose of the counting of the votes but without prejudice to the declaration of the result of the poll;

"determine by lot" means determine in accordance with the following directions, namely, the names of the candidates concerned having been written on similar slips of paper, and the slips having been folded so as to prevent identification and mixed and drawn at random, the candidate or candidates shall in cases of exclusion be excluded in the order in which their names are drawn, and, in cases of surpluses, the surpluses shall be transferred in the order in which the names are drawn, and, in cases of equality of fractions, the fraction relating to the candidate whose name is first drawn shall be deemed to be the largest;

"non-transferable paper" means a ballot paper on which no second or subsequent preference is recorded for a continuing candidate; provided that a paper shall be deemed to have become a non-transferable paper whenever—

- (a) the names of two or more candidates (whether continuing candidates or not) are marked with marks which, in the opinion of the returning officer, indicate the same order of preference and are next in order of preference; or
- (b) the name of the candidate next in order of preference (whether a continuing candidate or not) is marked with a mark which, in the opinion of the returning officer, does not follow consecutively after some other mark on the ballot paper, or with two or more marks; or
- (c) it is void for uncertainty;

"original vote" in regard to any candidate means a vote derived from a ballot paper on which a first preference is recorded for that candidate:

"preference" shall be interpreted as follows-

 "first preference" means any mark which, in the opinion of the returning officer, clearly indicates a first preference;

"second preference" means any mark which, in the opinion of the returning officer, clearly indicates a second preference standing in succession to a first preference;

"third preference" means any mark which, in the opinion of the returning officer, clearly indicates a third preference standing in succession to a second preference and so on;

(b) "next available preference" means a preference which, in the opinion of the returning officer, is a second or subsequent preference recorded in consecutive order for a continuing candidate, the preferences next in order on the ballot paper for candidates already deemed to be elected or excluded being disregarded;.

"surplus" means the number of votes by which the total number of the votes, original and transferred, credited to any candidate, exceeds the quota;

"transferable paper" means a ballot paper on which, following a first preference, a second or subsequent preference is recorded in consecutive numerical order for a continuing candidate;

"transferred vote" in regard to any candidate, means a vote

derived from a ballot paper on which a second or subsequent preference is recorded for that candidate.

(2) Any ballot paper—

- (a) which does not bear the official mark; or
- (b) on which the figure 1 standing alone, or the word "one" or any other mark which, in the opinion of the returning officer, clearly indicates a first preference, is not placed at all or is not so placed as to indicate a first preference for some candidate; or
- (c) on which the figure 1 standing alone indicating a first preference, or the word "one" or any other mark which, in the opinion of the returning officer, clearly indicates a first preference, is set opposite the name of more than one candidate; or
- (d) on which anything is written or marked which, in the opinion of the returning officer, is calculated to identify the elector;

shall be invalid and not counted, but the ballot paper shall not be invalid by reason only of carrying the words "one", "two", "three" (and so on) or any other mark which, in the opinion of the returning officer, clearly indicates a preference or preferences.

- (3) The returning officer shall endorse "rejected" on any ballot paper which under this section is not to be counted. The returning officer shall prepare a statement in such form as may be directed by the Minister showing the number of ballot papers rejected by him under each of the *paragraphs* (a), (b), (c) and (d) of subsection (2) and shall, on request, allow any candidate or agent of a candidate to copy such statement.
- (4) The returning officer may endorse on any ballot paper which he does not reject as invalid an indication of his decision on it without, however, interfering with any mark placed by the elector on the ballot paper.

First count.

- **119. -** (1) After the ballot papers have been mixed in accordance with section 114 the returning officer shall, rejecting any that are invalid, arrange them in parcels according to the first preferences recorded for each candidate.
 - (2) The returning officer shall then count the number of papers in each parcel and credit each candidate with a number of votes equal to the number of valid papers on which a first preference has been recorded for such candidate and he

shall ascertain the number of all valid papers.

The quota.

- 120. (1) The returning officer shall then divide the number of all valid papers by a number exceeding by one the number of vacancies to be filled; the result increased by one, any fractional remainder being disregarded, shall be the number of votes sufficient to secure the election of a candidate and this number is referred to in this Act as "the quota".
 - (2) Where at the end of any count the number of votes credited to a candidate is equal to or greater than the quota, that candidate shall be deemed to be elected.

Transfer of surplus.

- 121. (1) Where at the end of any count the number of votes credited to a candidate is greater than the quota, the surplus shall be transferred in accordance with and subject to the provisions of this section to the continuing candidate or candidates indicated on the ballot papers in the parcel or sub-parcel of the candidate deemed to be elected according to the next available preferences recorded thereon.
 - (2) Where the votes credited to a candidate deemed to be elected whose surplus is to be transferred consist of original votes only, the returning officer shall examine all the papers in the parcel of that candidate and shall arrange the transferable papers in sub-parcels according to the next available preferences recorded thereon.
 - (3) Where the votes credited to a candidate deemed to be elected whose surplus is to be transferred consist of original and transferred votes, or of transferred votes only, the returning officer shall examine the papers contained in the sub-parcel last received by that candidate and shall arrange the transferable papers therein in further sub-parcels according to the next available preferences recorded thereon.
 - (4) In either of the cases referred to in *subsections* (2) and (3) the returning officer shall make a separate sub-parcel of the non-transferable papers and shall ascertain the number of papers in each sub-parcel of transferable papers and in the sub-parcel of non-transferable papers.
 - (5) Where—
 - (a) the surplus is equal to the total number of papers in the sub-parcels of transferable papers, the returning officer shall transfer each sub-parcel of transferable papers to the continuing candidate indicated thereon as the voters' next available preference,
 - (b) the surplus is greater than the total number of papers in the sub-parcels of transferable papers, the

returning officer shall proceed as specified in paragraph (a) and shall in addition make a subparcel of a number of non-transferable papers equal to the difference between such total number and the surplus and set the papers therein aside as finally dealt with, such papers being, for the purposes of section 127 (1), described as non-transferable papers not effective,

and the non-transferable papers or the remaining non-transferable papers, as the case may be, also arranged as a sub-parcel shall be placed with the papers of the candidate deemed to be elected.

- (6) Where the surplus is less than the total number of transferable papers the following provisions shall apply:
 - (a) the returning officer shall transfer from each subparcel of transferable papers to the continuing candidate indicated thereon as the voters' next available preference that number of papers which bears the same proportion to the number of papers in the sub-parcel as the surplus bears to the total number of transferable papers,
 - (b) the number of papers to be transferred from each sub-parcel shall be ascertained by multiplying the number of papers in the sub-parcel by the surplus and dividing the result by the total number of transferable papers,
 - (c) a note shall be made of the fractions (which may be expressed in decimal form), if any, in each quotient ascertained in respect of each candidate in accordance with paragraph (b) and if, owing to the existence of such fractions, the number of papers to be transferred is less than the surplus, so many of these fractions taken in the order of their magnitude (beginning with the largest) as are necessary to make the total number of papers to be transferred equal to the surplus shall be reckoned as of the value of unity and the remaining fractions shall be disregarded,
 - (d) where two or more fractions are of equal magnitude, and it is not possible for the purposes of paragraph (c) to reckon all of the said fractions as of the value of unity, that fraction shall be deemed to be the largest which arises from the largest sub-parcel, and if such sub-parcels are equal in size, that fraction shall be deemed to be the largest which relates to the candidate credited with the largest number of original votes. Where the numbers of such original votes are equal, regard shall be had to the

number of votes credited to such candidates at the first count at which they were credited with an unequal number of votes, and the fraction relating to the candidate credited with the greatest number of votes at that count shall be deemed to be the largest. Where the numbers of votes credited to such candidates were equal at all counts the returning officer shall determine by lot which fraction shall be deemed to be the largest.

- (7) The papers to be transferred from each sub-parcel shall be those last filed in the sub-parcel, and each paper so transferred shall be marked to indicate the number of the count at which the transfer took place.
- (8) The returning officer shall not transfer the surplus of a candidate deemed to be elected whenever that surplus, together with any other surplus not transferred, is less than both the difference between the quota and the number of votes credited to the highest continuing candidate and the difference between the numbers of the votes credited to the two lowest continuing candidates and either—
 - (a) the number of votes credited to the lowest candidate is greater than one quarter of the quota or, in the case of a bye-election where there is more than one vacancy to be filled in a constituency, one quarter of what would have been the quota were the full number of members of the Dáil for the existing constituency to be elected, or
 - (b) the sum of the number of votes credited to the lowest candidate together with that surplus and any other surplus not transferred is not greater than one quarter of the quota or, in the case of a bye-election where there is more than one vacancy to be filled in a constituency, one quarter of what would have been the quota were the full number of members of the Dáil for the existing constituency to be elected.
- (9) Where at any time there are two or more surpluses which are to be transferred, the greater or greatest of such surpluses shall first be transferred and the remaining surplus or surpluses shall then, subject to *subsection* (8), be transferred in the order of their descending magnitude.
- (10) Where two or more candidates have each an equal surplus arising from the same count regard shall be had to the number of original votes credited to each candidate and the surplus of the candidate credited with the largest number of original votes shall be first dealt with. Where the numbers of such original votes are equal regard shall be had to the total number of votes credited to such candidates at the first count at which they had an unequal number of votes and

the surplus of the candidate with the greatest number of votes at that count shall be first dealt with. Where the numbers of votes credited to such candidates were equal at all counts the returning officer shall determine by lot which surplus he will first deal with.

- (11) Subject to subsections (8) and (9), where two or more candidates have each an equal surplus arising from different counts, a surplus which arises at the end of any count shall be transferred before a surplus which arises at a subsequent count.
- Exclusion of candidate. 122. (1) If at any time no candidate has a surplus (or when under section 121 (8) an existing surplus is not transferred) and one or more vacancies remain unfilled, the returning officer shall—
 - (a) exclude the candidate credited with the lowest number of votes and examine all the papers of that candidate;
 - (b) arrange the transferable papers in sub-parcels according to the next available preferences recorded thereon for continuing candidates and transfer each sub-parcel to the candidate for whom the preference is recorded;
 - (c) make a separate sub-parcel of the non-transferable papers and set them aside as finally dealt with, such papers being, for the purposes of section 127 (1), described as non-transferable papers not effective.
 - (2) Where the total of the votes of the two or more lowest candidates together with any surplus not transferred is less than the number of votes credited to the next highest candidate, the returning officer shall in one operation exclude such two or more lowest candidates provided that—
 - (a) the number of votes credited to the second lowest candidate is greater than one quarter of the quota, or, in the case of a bye-election, one quarter of what would have been the quota in that constituency were the full number of members of the Dáil for the existing constituency to be elected, or
 - (b) where the number of votes credited to any one of such two or more lowest candidates does not exceed one quarter of the quota, or, in the case of a bye-election, one quarter of what would have been the quota in that constituency were the full number of members of the Dáil for the existing constituency to be elected, it is clear that the exclusion of the candidates separately in accordance with subsection (1) and the transfer of any untransferred surplus

could not result in a number of votes exceeding one quarter of the quota, or, in the case of a byeelection, one quarter of what would have been the quota in that constituency were the full number of members of the Dáil for the existing constituency to be elected, being credited to any such candidate.

(3) If, when a candidate has to be excluded under this section, two or more candidates have each the same number of votes and are lowest, regard shall be had to the number of original votes credited to each of those candidates, and the candidate with the lowest number of original votes shall be excluded and where the numbers of the original votes are equal, regard shall be had to the total numbers of votes credited to those candidates at the first count at which they had an unequal number of votes and the candidate with the lowest number of votes at that count shall be excluded and, where the numbers of votes credited to those candidates were equal at all counts, the returning officer shall determine by lot which shall be excluded.

Transfer of votes.

- 123. (1) Where a transfer of votes is made under section 121 or 122, each sub-parcel of papers transferred shall be placed on top of the parcel, if any, of papers of the candidate to whom the transfer is made, and that candidate shall be credited with a number of votes equal to the number of papers transferred to him.
 - (2) If after any transfer a candidate has a surplus, that surplus shall be dealt with in accordance with and subject to the provisions of *section 121* before any other candidate is excluded.
- Filling of last vacancies. **124.** (1)
- When the number of continuing candidates is equal to the number of vacancies remaining unfilled, the continuing candidates shall thereupon be deemed to be elected.
- (1A) When the number of continuing candidates exceeds by one the number of vacancies remaining unfilled and the total of the votes credited to the lowest continuing candidate together with the surplus or surpluses not transferred is less than the number of votes credited to the next highest continuing candidate, the continuing candidates, with the exception of the lowest such candidate, shall thereupon be deemed to be elected.
- (2) When only one vacancy remains unfilled, and the votes of some one continuing candidate exceed the total of all the votes of the other continuing candidates together with any surplus not transferred, that candidate shall thereupon be deemed to be elected.
- (3) When the last vacancies can be filled under this section no further transfer of votes shall be made unless any of the

continuing candidates has not been credited with a number of votes exceeding one quarter of the quota or in the case of a bye-election where there is more than one vacancy to be filled in a constituency, one quarter of what would have been the quota were the full number of members of the Dáil for the existing constituency to be elected and it is necessary for the purposes of subparagraph (ii) (inserted by the Electoral (Amendment) Act, 2011 of section 21(1)(a) of the Electoral Act, 1997 or section 48(1)(e) to make such transfer in order to establish whether such a number of votes could be credited to him.

Recount.

125. - (1)

Any candidate or the election agent of a candidate may, at the conclusion of any count, request the returning officer to re-examine and recount all or any of the papers dealt with during that count, and the returning officer shall re-examine and recount such papers accordingly without making any alterations in the arrangement of the papers in the various parcels, save where such alterations may be necessary in consequence of any error discovered in the recount. Nothing in this subsection shall make it obligatory on the returning officer to re-examine or recount the same parcel of papers more than once.

- (2) The returning officer may at his discretion recount papers either once or more often in any case in which he is not satisfied as to the accuracy of any count. The power under this subsection of a returning officer to recount papers shall extend to papers dealt with at an earlier count than the immediately preceding one.
- (3) (a) As respects each candidate, one request (and not more) may be made by him or his election agent for a complete re-examination and recount of all parcels of ballot papers and the returning officer shall reexamine and recount the parcels of ballot papers accordingly.
 - (b) In the re-examination and recount, the number or order of ballot papers in any parcel shall not be disturbed.
 - (c) Nothing in the provisions of this subsection shall make it obligatory on the returning officer to reexamine or recount the same parcel of papers more than once, but if an error is discovered which is, in the opinion of the returning officer, a significant error likely to affect the result of the election, the returning officer shall count all the papers afresh from the point at which the error occurred.
 - (d) Nothing in this subsection shall make it obligatory on the returning officer to comply with a request by a candidate or his election agent which, in the opinion

of the returning officer, is frivolous or vexatious.

- (e) A request under this subsection may be made only at the conclusion of a count.
- (4) Where an error is discovered, the returning officer shall, where necessary, amend any results previously announced by him.
- (5) Where a request made under *subsection* (3) is withdrawn by the candidate as respects whom it is made or by the election agent of the said candidate, it shall be open to the returning officer not to proceed, or proceed further with the re-examination and recount.

Declaration of result of the **126.** poll.

On the completion of the counting of the votes the returning officer shall determine and declare the result of the poll and the candidates deemed to be elected shall thereupon stand elected.

Notice of result of election. 127. - (1)

- The returning officer shall give public notice in the form directed by the Minister of the names and descriptions of the candidates elected and, in the case of a contested election, of the total number of votes given for each candidate, whether elected or not, of any transfer of votes and of the total number of votes credited to each candidate at the end of the count at which such transfer took place.
- (2) The returning officer shall send a copy of the notice referred to in *subsection* (1) to the Minister and to each person elected and shall send a copy of the statement referred to in *section 114* (2) to the Minister.

Decision of returning officer.

128. - The decision of the returning officer, whether expressed or implied by his acts, on any question which arises in relation to the exclusion of any candidate under *section 122* or to any ballot paper or transfer of votes shall be final, subject only to reversal on a petition questioning the Dáil election.

Deposit by certain candidates

Deposit by certain candidates.

- 47.- (1) This section applies to a candidate referred to in section 46(5) unless the candidate concerned has opted to have his nomination assented to by the means specified in section 46(5)(a) and (6).
 - (2) A candidate at a Dáil election referred to in section 46(5), or someone on his behalf, may, before the expiration of the time appointed by this Act for receiving nominations, deposit with the returning officer the sum of €500, and if he fails to do so, his candidature shall be deemed to have been withdrawn.
 - (3) The deposit that may be made by or on behalf of a candidate pursuant to this section may be made by means of legal tender or, with the consent of the returning officer, in any other manner.

Return or disposal of deposit.

- **48.** (1) The deposit referred to in section 47 shall be returned where the candidate—
 - (a) withdraws his candidature in accordance with section 54.
 - (b) dies before the poll is closed,
 - (c) has not, before the expiration of the time for the receipt of nominations, been validly nominated as a candidate,
 - (d) is elected, or
 - (e) is not elected but the greatest number of votes credited to him at any stage of the counting of votes at the election exceeds—
 - (i) in the case of a general election, one quarter of the quota, or
 - (ii) in the case of a bye-election, one quarter of what would have been the quota in that constituency were the full number of members of the Dáil for the existing constituency to be elected.
 - (2) Any deposit which is not returned under the foregoing subsection shall be forfeited.
 - (3) Where a deposit is to be returned under subsection (1) it shall be returned to the person by whom it was made, provided that a deposit made by a person who dies before the deposit is returned shall be returned to his personal

representative.

- (4) A deposit forfeited under this section shall be disposed of by the returning officer in such manner as may be directed by the Minister for Finance.
- (5) In this section 'personal representative' has the meaning assigned to it by section 3 of the Succession Act 1965.
