(iii) Other information that you believe may be relevant (**Note: Completion of this heading is entirely voluntary**)

I was unaware that it was necessary to record these on this declaration as they were very much connected to my parliamentary duties, both being policy conferences abroad connected to policy areas that I legislate for and debate on. However, following a recent invite to another conference, it was brought to my attention that any conference not funded by the Oireachtas may qualify for such a declaration so for the avoidance of doubt I have included these here and will adopt a similar approach in the future.
