P.T.O.

49. “That Dáil Éireann;

- recognising the need for greater supports for adult education and the importance of adult learning to the continued growth of the economy;
- considering the low level of participation of Irish adults in ongoing education and training estimated to be at just 8% of the workforce, compared to 35% in Sweden, 29% in the UK and well below the EU target of 12.5%;
- noting the Government’s failure to act on the commitment in Towards 2016 to put in place a targeted fund to alleviate fees in public institutions for part-time courses at

third level by those at work who have not previously pursued a third level qualification;

- recognising the fundamental injustice that exists in the exclusion of low paid workers from obtaining financial support through the Back to Education Allowance;
- accepting the need for a more co-ordinated and focused approach to the development of adult education nationally; and
- noting that the proportion of the FÁS budget currently spent on upskilling those in employment is only 5%;

- use the National Training Fund to introduce a voucher scheme for individuals who have not already benefited from higher education to pay for courses in higher educational institutions, whether taken on a part-time or full-time basis;

- free and fair elections are the cornerstone of a democratic political system;
- Resolutions and Reports by the United Nations General Assembly on '*strengthening the role of the United Nations in enhancing the effectiveness of the principle of periodic and genuine elections and the promotion of democratization*';
- the high demand from UN Member States for electoral assistance; and
- recent reports of electoral fraud in some elections;

calls on the Government to take a lead role at the UN General Assembly to ensure:

  - an agreed mechanism to certify the results of elections;

**51.** “That Dáil Éireann, concerned at the deadlock of the democratic process in Zimbabwe following the elections of 29th March, 2008, the reported violence and the ongoing humanitarian crisis in that country:

- welcomes UN secretary general Ban Ki-moon’s for a UN role to resolve the crisis while the current democratic deadlock persists;
- deplores the reported ‘militarization’ of election tactics in Zimbabwe, human rights repressions and reported deaths, threats, beatings and torture of opposition supporters, elections workers, trade unionists, police, medical workers and all other individuals;
- welcomes the continuing assistance which Irish Aid is giving to the people of Zimbabwe and looks forward to supporting the reconstruction of Zimbabwe’s democratic institutions and the protection of its economic assets; and

**52.** “That Dáil Éireann, notes with grave concern the failure on the part of the Department of Education and Science to engage with those unions who represent school secretaries and caretakers within the informal process established under the Towards 2016 National Agreement, and having regard to the continuous and serious pay inequalities faced by school secretaries and caretakers within the Irish Education System, demands that the Minister for Education and Science immediately enters into meaningful discussions to address this issue by standardising the terms and conditions of employment commensurate with appropriate public service grades with effect from the 2008/2009 school year.” — *Brian Hayes, Bernard Allen, James Bannon, Seán Barrett, Pat Breen, Richard Bruton, Ulick Burke, Catherine Byrne, Joe Carey, Deirdre Clune, Paul Connaughton, Noel J. **53.** “That Dáil Éireann,

notes;

- the value of the Irish Seafood Industry to the Irish economy, totalling over €750 million in revenues and contributing to direct employment of over 12,000 people;
- the financial difficulties currently facing those involved in the fishing industry;
- the dramatic increase in the price of fuel; especially considering the increase of 40% since January 2008;
- the stagnation and decline of fish prices;
- the failure to brand and market Irish fish;
- the delay of Government to secure EU approval of Operational Programme for Fisheries;
- the structural difficulties facing the industry including lack of quota and over capacity of the fleet;
- the current arrangements for disposal of by-catch contribute nothing to conservation of fish stocks; and
- the slow progress in implementing the Cawley Report.

calls on the Government to;

- negotiate a package of financial assistance for temporary cessation of operations as a matter of urgency;
- insist that the Irish Fishing Industry is not disadvantaged relative to its competitors within the EU as a result of the Commission decision to permit State Aid in certain circumstances;
- secure an immediate ban on (IUU) Illegal Unreported and Unregulated fishing and regulating imports;

P.T.O.

- pursue a uniform and balanced approach to enforcement of fisheries regulation throughout the E.U.;
- immediately implement a country of origin labelling system for all fish products coupled with a Consumer Awareness Campaign;
- to pursue the possibility of increasing cod quotas in the Celtic Sea;
- take all necessary steps at an interdepartmental level to resolve the issues delaying the adoption of the Operational Programme for Fisheries; and
- fully implement the Cawley report.” — *Michael Creed, Enda Kenny, Bernard Allen, James Bannon, Seán Barrett, Pat Breen, Richard Bruton, Ulick Burke, Catherine Byrne, Joe Carey, Deirdre Clune, Paul Connaughton, Noel J.
