*Amendment to Motion for Second Reading (resumed):*

1. To delete all words after “That” and substitute the following:

“in view of the series of measures announced in Budget 2009 and proposed in the Social Welfare (Miscellaneous Provisions) Bill 2008 which target the unemployed, children, the poor and people with disabilities resulting in the fact that

- Unemployed people will lose over €2,500 due to changes to Jobseekers Benefit,
- Parents of 18 year olds will lose almost €2,000 due to changes to Child Benefit,
- Parents of 5 year olds will lose approximately €800 due to changes to Early Childcare Supplement,
- Tenants dependent on rent supplement will effectively get no increase at all in 2009 due to increases in the minimum contributions they must now make to their rent,
- Fewer unemployed people will qualify for Jobseekers Benefit because of new restrictions on entitlement,
- Fewer people with disabilities, injuries or illnesses will qualify for welfare support, and for those who do, the duration of payment has been capped,
- Part-time workers will receive less when they claim Jobseekers Benefit because of a new cap on their rate of payment,

Dáil Éireann declines to give a Second Reading to the Bill.”. — *Róisín Shortall.*

*Motion (resumed) (1 hr. 30 m. remaining):*

**40.** “That Dáil Éireann:

noting:

- the findings of the Health Information and Quality Authority whereby the introduction of the HPV cervical cancer vaccination programme could see a 34 per cent reduction in pre-cancers, a 56 per cent reduction in cervical cancer and a 56 per cent reduction in deaths from cervical cancer;
- that the total cost of introducing the vaccine is estimated to be €9.7 million according to the Health Information and Quality Authority;
- that the direct savings in treatment costs due to the disease being avoided is more than €2.7 million per annum according to the Health Information and Quality Authority, excluding broader savings;
- the breakthrough nature of this medical advance; and
- that the total health budget is more than €16,000 million this year;

condemns the decision of the Minister for Health and Children to abandon this programme as short-sighted and unjustifiable, and calls on the Minister for Health and Children to immediately reverse her decision.” — *James Reilly, Enda Kenny, Bernard Allen, James Bannon, Seán Barrett, Pat Breen, Richard Bruton, Ulick Burke, Catherine Byrne, Joe Carey, Deirdre Clune, Paul Connaughton, Noel J. [11 November, 2008]

*Leasú (atógáil)*  
*Amendment (resumed):*

**1.** To delete all words after “Dáil Éireann” and substitute the following:

- “ — reiterates its support for the comprehensive work by the Government to bring cancer care, treatment and survival to the best international standards and to offer every person in Ireland equal access to the best possible cancer care in eight designated centres;
- welcomes the additional €15 million in 2009 allocated for this programme of work under the leadership of Professor Tom Keane of the Health Service Executive;

- supports the Government’s introduction already this year of the first comprehensive, free national cervical screening programme for all women between the ages of 25 and 60, at a full year cost of €35 million, which is an immediate step towards reducing deaths from cervical cancer by over 80%;
- welcomes the fact that approximately 100,000 women will have been screened by the end of the current year;
- supports keeping a HPV vaccination programme under active review in future funding decisions relating to overall cancer control priorities;
- recognises the need to prioritise the use of public resources in very challenging economic circumstances, including in relation to health services; and
- supports the Government’s prioritisation for existing services in the allocation of funding for health services in 2009.” — *An tAire Sláinte agus Leanaí.*
