50. “That Dáil Éireann noting,

- free and fair elections are the cornerstone of a democratic political system;
- Resolutions and Reports by the United Nations General Assembly on ‘*strengthening the role of the United Nations in enhancing the effectiveness of the principle of periodic and genuine elections and the promotion of democratization*’;

- the high demand from UN Member States for electoral assistance; and
- recent reports of electoral fraud in some elections;

calls on the Government to take a lead role at the UN General Assembly to ensure:

- the UN makes adjustments in its practices in order to meet emerging trends and challenges by increasing its capacity both to develop and disseminate electoral standards and best practices to include:
 - an agreed mechanism to certify the results of elections;
 - strengthen its capacity to offer advice on the choice of electoral systems; and
 - encourage States to make voluntary contributions to an Electoral Monitoring Fund.” — *Billy Timmins, Pat Breen, Enda Kenny, Bernard Allen, James Bannon, Seán Barrett, Richard Bruton, Ulick Burke, Catherine Byrne, Joe Carey, Deirdre Clune, Paul Connaughton, Noel J. 51. “That Dáil Éireann, concerned at the deadlock of the democratic process in Zimbabwe following the elections of 29th March, 2008, the reported violence and the ongoing humanitarian crisis in that country:

- calls on the Irish Government to raise the issue as a matter of urgency at international level and, in particular, in its contacts with Irish Aid’s programme countries in the Southern Africa Development Community (SADC), Zambia, Malawi, Mozambique, Lesotho and Tanzania;
- calls on the Irish Government to promote the broadest and most effective international observation in the event of any recounts, further rounds of voting and campaigning in Zimbabwe;
- welcomes UN secretary general Ban Ki-moon’s for a UN role to resolve the crisis while the current democratic deadlock persists;
- deplores the reported ‘militarization’ of election tactics in Zimbabwe, human rights repressions and reported deaths, threats, beatings and torture of opposition supporters, elections workers, trade unionists, police, medical workers and all other individuals;
- welcomes the continuing assistance which Irish Aid is giving to the people of Zimbabwe and looks forward to supporting the reconstruction of Zimbabwe’s democratic institutions and the protection of its economic assets; and
- looks forward to re-establishing warm relations with the Parliament of Zimbabwe following a successful democratic conclusion to the elections process.” — *Brendan Howlin, Billy Timmins, Fergus O'Dowd, Denis Naughten, Michael D. 52. “That Dáil Éireann, notes with grave concern the failure on the part of the Department of Education and Science to engage with those unions who represent school secretaries and caretakers within the informal process established under the Towards 2016 National Agreement, and having regard to the continuous and serious pay inequalities faced by school secretaries and caretakers within the Irish Education System, demands that the Minister for Education and Science immediately enters into meaningful discussions to address this issue by standardising the terms and conditions of employment commensurate with appropriate public service grades with effect from the 2008/2009 school year.” — *Brian Hayes, Bernard Allen, James Bannon, Seán Barrett, Pat Breen, Richard Bruton, Ulick Burke, Catherine Byrne, Joe Carey, Deirdre Clune, Paul Connaughton, Noel J. [30 April, 2008]

53. “That Dáil Éireann,

notes;

- the value of the Irish Seafood Industry to the Irish economy, totalling over €750 million in revenues and contributing to direct employment of over 12,000 people;
- the financial difficulties currently facing those involved in the fishing industry;
- the dramatic increase in the price of fuel; especially considering the increase of 40% since January 2008;
- the stagnation and decline of fish prices;
- the failure to brand and market Irish fish;
- the delay of Government to secure EU approval of Operational Programme for Fisheries;
- the structural difficulties facing the industry including lack of quota and over capacity of the fleet;
- the current arrangements for disposal of by-catch contribute nothing to conservation of fish stocks; and
- the slow progress in implementing the Cawley Report.

calls on the Government to;

- negotiate a package of financial assistance for temporary cessation of operations as a matter of urgency;
- insist that the Irish Fishing Industry is not disadvantaged relative to its competitors within the EU as a result of the Commission decision to permit State Aid in certain

circumstances;

- secure an immediate ban on (IUU) Illegal Unreported and Unregulated fishing and regulating imports;
- pursue a uniform and balanced approach to enforcement of fisheries regulation throughout the E.U.;
- immediately implement a country of origin labelling system for all fish products coupled with a Consumer Awareness Campaign;
- to pursue the possibility of increasing cod quotas in the Celtic Sea;
- take all necessary steps at an interdepartmental level to resolve the issues delaying the adoption of the Operational Programme for Fisheries; and
- fully implement the Cawley report.” — *Michael Creed, Enda Kenny, Bernard Allen, James Bannon, Seán Barrett, Pat Breen, Richard Bruton, Ulick Burke, Catherine Byrne, Joe Carey, Deirdre Clune, Paul Connaughton, Noel J. [24 June, 2008]

54. “That Dáil Éireann:

- recognises that there are currently at least 150 families affected by Duchenne Muscular Dystrophy (DMD) in Ireland today;
- notes that there is no cure for this disease resulting in an average life expectancy of late teens – early twenties;
- agrees that there is no translational research or clinical trials for DMD being carried out in Ireland and that international research efforts should be supported;
- agrees with the Minister of State for Disability who has stated there is no mechanism or budget for Irish Government funding to UK health research and has recommended an application to the Health Research Board (HRB);
- recognises that, whilst the HRB and the Joint Committee on Health and Children have indicated that funding can be made available provided it is shown to benefit Irish children, to-date there is still no confirmation that this funding is available;
- recognises that the Joint Committee on Health and Children have unanimously in 2008 voted 12-0 in favour of supporting funding of Duchenne Research; and
- calls on the Government to provide funding to Duchenne Ireland to allocate to the most promising research strategies in order to accelerate drugs through the clinical trial process and to ensure that Irish boys have access to these trials;

acknowledges that:

- Duchenne Ireland is a registered Irish Charity (CHY 18197) that has a formal research strategy in place for progressing therapies for DMD;

- this research strategy involves a stringent grant application process and international review process by the charity's international scientific review board;
- Duchenne Ireland are members of IPPOSI, Treat-NMD, and UPPMD, all of which are progressing the cause of research into rare diseases and/or Duchenne;
- a rare disease like Duchenne requires international best research due to the specialisation of the disease in question and the lack of research expertise and that the HRB has prioritised translational research;
- the current MRCG budget for 2008 for international research available for competitive scientific bidding to all charities in the MRCG (27 at current count), is €60,000 given the MRCG mandates that only 10% of 2008 budgeted allowance for co-funding can be granted to international research; and
- Duchenne Ireland is planning to fund at least €200,000 per year in charity research funding towards translational therapies for Duchenne, and that a 27-1 chance of potential co-funding is not an adequate solution to translational therapies for Duchenne.” — *Joe McHugh, Denis Naughten, Andrew Doyle, James Reilly, Kieran O'Donnell, Dan Neville.*

[19 November, 2008]

55. “That Dáil Éireann:

notes that:

- the economy was allowed over recent years to become grossly over-dependent on the construction sector accounting for over 20% of the State's GDP and employing one in every eight workers at its peak;
- an over-inflated construction sector masked a steady flow of job losses, particularly in provincial towns;
- the Government failed to accept that the over-reliance on the construction sector was not sustainable and could not continue indefinitely and consequently failed to put in place a strategy to deal with the anticipated contraction of the construction sector or the needs of those dependent on that sector for their employment;
- an estimated 30,000 plus construction workers have lost their jobs to date in 2008;
- the lack of alternative employment is resulting in workers who lost their jobs emigrating in search of work;
- the Government still has not brought forward a strategy to get these workers back into employment and/or training;
- the Government allowed the social security entitlements of many construction workers to be undermined by failing to take action as unscrupulous employers coerced these workers into registering as self-employed; and
- 50.3% of those who lost their jobs in the construction sector in the year to the end of June were under the age of 25 while 23% of those under the age of 25 still employed in the construction sector at the end of June did not have a Leaving Certificate qualification;

recognises:

- the urgent need for the Government to bring forward a strategy that prioritises the needs of those construction sector workers who have lost their jobs or are at risk of losing their jobs;
- the need to make sure that a controlled reduction in the dependency on the construction sector includes measures to ensure continued employment opportunities in construction as well as measures to enable workers from this sector to access alternative employment; and
- the need for the Government to prioritise the creation of alternative employment opportunities;

calls on the Government:

- to increase our competitiveness and aid economic recovery by frontloading infrastructure projects that can employ workers from the construction sector, including transport, schools, crèches, hospital and primary care development;
- to implement a State Housing Infrastructure Plan, designed to address both housing need and unemployment in the construction sector, including:
 - the construction of the required social housing by local authorities on a targeted basis over 5 years;
 - the completion of currently stalled regeneration projects in local authority housing estates and complexes;
 - a programme of upgrading of local authority dwellings, with special emphasis on housing for older people;
 - a social housing maintenance programme, equipping local authorities to ensure that their housing stock is kept in good repair;
 - a home heating programme to ensure that local authority tenants, especially older people, have sufficient and energy efficient heating in their homes;
 - a home insulation programme to conserve energy and reduce energy costs for householders; and
 - a home adaptation programme to carry out essential works to adapt homes for the use of people with disabilities, in tandem with reform of the Disabled Persons' Housing Grant;
- to introduce specific training and upskilling courses for alternative industries to construction to be made available through FÁS and the state's universities and DITs;
- to provide special retraining for construction workers so they can work in the energy saving and renewable energy sectors;
- to introduce a specific back to education scheme for construction sector workers under the age of 25 who did not complete second level education;
- to introduce a mortgage support package for those who have lost their jobs;
- to take steps to deal with the predicament of construction sector workers who were pushed into becoming self-employed by their employers and who consequently do not have adequate social insurance contributions to access social welfare entitlements by allowing for contributions for the last five years to be considered rather than the normal governing contribution period of two years; and
- to introduce measures to allow apprentices to complete apprenticeships that were curtailed due to the recession in construction.” — *Caoimhghín Ó Caoláin, Arthur Morgan, Martin Ferris, Aengus Ó Snodaigh.*

56. “That Dáil Éireann:

deplores:

- the savage cuts to the budget of the Equality Authority which has removed 43% of its budget and will severely limit its capacity to carry out its core functions;
- the ill-thought out and poorly planned decision to decentralise the Equality Authority which has resulted in the loss of experienced and expert staff;
- the treatment of the Equality Authority by the Government which ultimately resulted in the resignation of its Chief Executive and a Board Member;
- the unprecedented cut to the budget of the Irish Human Rights Commission which has removed 24% of its budget and will severely limit its capacity to carry out its core functions;
- the weakening of the Irish Human Rights Commission despite its importance in the context of the Good Friday Agreement; and
- the disproportionate budget cuts to human rights and equality bodies despite the myriad of agencies under the remit of the Department of Justice, Equality and Law Reform;

calls on the Government to immediately:

- engage bilaterally with the Equality Authority and Irish Human Rights Commission to ascertain their resource needs;
- provide the necessary funding to allow the Irish Human Rights Commission and the Equality Authority to carry out their full remits; and
- affirm the Government’s commitment to uphold human rights and equality in Irish society and to deliver on its own stated policies in these areas.” — *Charles Flanagan, Enda Kenny, Bernard Allen, James Bannon, Seán Barrett, Pat Breen, Richard Bruton, Ulick Burke, Catherine Byrne, Joe Carey, Deirdre Clune, Paul Connaughton, Noel J. 57. “Ag cuimhneamh:

- go ndearnadh gnó na Chéad Dála 90 bliain ó shin go hiomlán trí Ghaeilge; agus
- gurb í an Ghaeilge an teanga náisiúnta agus an phríomhtheanga oifigiúil faoi Airteagal 8 den Bhunreacht;

beartaíonn an Dáil:

- úsáid na Gaeilge a mhéadú i ngnó na Dála in 2009 go céatadán a bheidh aontaithe idir na páirtithe; agus
- tús a chur leis seo le linn ‘Seachtain na Gaeilge’ sa Dáil an 10, 11, 12 Márta nuair a dhéanfar 50% de ghnó na Dála trí mheán na Gaeilge.” — *Caoimhghín Ó Caoláin, Aengus Ó Snodaigh, Arthur Morgan, Martin Ferris.*
