76. “That Dáil Éireann, noting with concern that since the Taoiseach took office:

- the number of people on the live register has more than doubled bringing the total number on the live register to a record 466,923;
- over 100,000 people have emigrated;
- GNP has declined by 20% and the Irish recession has been deeper and longer than that of any other EU country;
- Irish borrowing costs have increased dramatically, reflecting the growing lack of international confidence in Ireland's economic strategy; and
- the Government has failed to present a coherent jobs strategy;

calls on the Government to steer Ireland away from economic disaster by putting jobs at the centre of a new confidence-building economic strategy, in particular by:

- using the National Pensions Reserve Fund, private pension funds and sales of non-strategic State assets to accelerate the investments in high speed broadband, clean energy and water needed to make Ireland a better place to do business and to create jobs;
- cutting employers' PRSI rates for the low paid;
- scrapping the travel tax and reducing airport charges as part of a deal with the airline industry to expand services and increase tourist numbers;
- providing partial loan guarantees for small and medium sized enterprises;
- publishing an action plan for implementing the recommendations of the National Competitiveness Council and the Competition Authority in order to drive down costs in the economy;
- slashing unnecessary red tape for small businesses;
- providing second chance education and traineeship positions for unemployed young people; and
- encouraging entrepreneurship by overhauling our outdated bankruptcy laws.” — *Richard Bruton, Enda Kenny, John Perry, Bernard Allen, James Bannon, Seán Barrett, Pat Breen, Ulick Burke, Catherine Byrne, Joe Carey, Deirdre Clune, Paul Connaughton, Noel J. 77. “That Dáil Éireann:

- expresses its sympathy to all citizens affected by recent flooding in all parts of the country;
- notes the severe social and economic hardship caused by serious flooding;

- recognises that increased rainfall in Ireland will be a consequence of global warming and that Government will have to adapt to changing climate patterns;
- notes with concern that Government has no co-ordinated and integrated flooding alert system or response plan in the event of serious flooding; and
- recognises that most other developed at risk countries have advanced flood warning systems that act to minimise damage and disruption caused by flooding;

calls on the Government to develop a new national flood alert system to be controlled by the Environmental Protection Agency and Met Éireann that is based on a system of flood alert codes that results in co-ordinated preventative action from the local authorities, civil defence, the Office of Public Works, and the emergency services; and

calls on the Minister for the Environment, Heritage and Local Government to:

- immediately support local authorities in providing safe drinking water to communities with potentially contaminated water supplies caused by flooding;
- immediately request reports from all local authorities to outline the damage caused and reasons for recent flooding;
- review the national flood relief capital programme in order to prioritise areas subject to frequent flooding; and
- explore the possibility of any climate change assistance or disaster relief funds being made available to victims of climate change damage, particularly those affected by chronic flooding.” — *Phil Hogan, Enda Kenny, Bernard Allen, James Bannon, Seán Barrett, Pat Breen, Richard Bruton, Ulick Burke, Catherine Byrne, Joe Carey, Deirdre Clune, Paul Connaughton, Noel J. - notes the significant funding made available by the Government over 5 years under the Water Services Investment Programme in response to specific environmental, public health and economic needs; and

**78.** “That Dáil Éireann:

notes with grave concern:

- the most recent CSO figures showing a 51% increase in aggravated burglaries in the three months to the end of September 2009 accompanied by a 25% increase in non-aggravated burglaries in the same period;
- the recent widely reported targeting of vulnerable elderly residents in their own homes including a number of incidents in which vulnerable home-owners were viciously assaulted;
- the dramatic cutback in funding of the Scheme of Community Support for Older People in 2009;
- the fact that only 6% of the Garda force is made up of community Gardaí;
- the continual downgrading and closure of rural Garda stations; and
- the consequent fear and anxiety that is keenly felt by elderly people living alone;

calls on the Minister for Justice, Equality and Law Reform to:

- arrest the decline of policing services to rural communities;
- bring forward measures and incentives to facilitate a significant increase in the number of community Gardaí; and
- enhance and develop the Garda Community Safety Week initiative; and

calls on the Minister for Community, Rural and Gaeltacht Affairs to reverse the cutback in funding for the Scheme of Community Support for Older People.” — *Charles Flanagan, Enda Kenny, Richard Bruton, Bernard Allen, James Bannon, Seán Barrett, Pat Breen, Ulick Burke, Catherine Byrne, Joe Carey, Deirdre Clune, Paul Connaughton, Noel J. **79.** “That Dáil Éireann:

- is aware of the importance of the work done by spouses in partnerships;
- acknowledges the value of that work to economic activity;
- condemns the Government decision to withdraw or reduce the Contributory State Pension from farmers’ and business spouses aged 66 and over;
- is aware that some applicants sought to pay PRSI contributions before reaching age 66 but were denied their efforts by the Department of Social and Family Affairs;
- recognises that this measure is extremely unfair to those who planned for their retirement on the basis of information provided by and calculated by the Department; and

calls on the Government to withdraw the notice sent out to persons concerned and to act upon the power accorded to the Minister under subsection 110(2) of the Social Welfare Consolidation Act 2005 to ensure those payments are made.” — *Olwyn Enright, Michael Creed, Enda Kenny, Bernard Allen, James Bannon, Seán Barrett, Pat Breen, Richard Bruton, Ulick Burke, Catherine Byrne, Joe Carey, Deirdre Clune, Paul Connaughton, Noel J. **80.** “That Dáil Éireann:

recognising the economic value of the tourism industry, with peak tourism revenues of €6.5 billion and 300,000 people employed in 2007;

acknowledging:

- tourism revenue dropped by €1.1 billion in 2009 to €5.2 billion, its lowest level since 2004;
- overseas visitor numbers fell by close to one million in 2009 compared to 2008;
- Ireland’s largest tourism market, the United Kingdom, declined by 16%;
- access to Ireland has become worryingly restricted with the ongoing removal of routes and restrictions in airline capacity at both Shannon and Dublin airports; and
- the serious credit flow crisis and level of debt facing the sector as a result of the economic downturn;

considering:

- the introduction of a departure tax was short-sighted, counterproductive and a deterrent to the survival of the tourism industry;

- employment has fallen significantly across all areas of the tourism industry with at least 12,000 job losses in 2009;
- the restaurant sector alone has warned that one in three businesses are at risk of closing, which would result in an estimated 21,000 job losses and €700 million annual loss in tax revenues to the economy;
- the failure by the Government to introduce any significant measures aimed at reducing costs or encouraging an environment conducive to the survival of small and medium sized enterprises; and
- the lack of political will and leadership for strategic assistance to the industry;

calls on the Government to:

- reposition tourism within the current departmental structure with a view to ensuring responsibility for tourism is focused and reflects the importance of this indigenous industry;
- review the ancillary bodies dealing with tourism marketing, promotion and product development to ensure that the industry is strategically led, developed and supported in a coherent manner;
- immediately abolish the departure tax;
- reduce the 13.5% VAT rate on hotel accommodation and restaurants to 10%;
- reduce the upper rate of employer's PRSI by 20% and the lower rate of employer's PRSI by 50%;
- reduce local authority rates, freeze Government and local authority charges and reduce energy costs;
- totally overhaul the Joint Labour Committee (JLC) wage setting system;
- reduce the administration cost and complexity of Irish visitor visas;
- rollout high capacity broadband to regional areas; and
- request that the Competition Authority carries out an investigation into predatory pricing and reckless trading in the hotels sector.” — *Olivia Mitchell, Enda Kenny, Bernard Allen, James Bannon, Seán Barrett, Pat Breen, Richard Bruton, Ulick Burke, Catherine Byrne, Joe Carey, Deirdre Clune, Paul Connaughton, Noel J.
