- the percentage of lone-parent households that are at risk of poverty has increased since 2016; and

calls on the Government to:

- acknowledges that the Minister for Education and Skills has issued specific guidance to schools on the issue of costs (circular 32/2017) and the need for schools to do everything possible to keep costs down for parents;
- notes that the Minister for Education and Skills also intends that under the draft legislation on a Parent and Student Charter, schools will be required to consult students and parents regularly in relation to school costs and working to avoid costs acting as a barrier to participation;
