Notices of Motions:

23. “That Dáil Éireann:

notes:

- that 19,636 Small Public Service Vehicles are registered with the National Transport Authority in 2020;
- the 3,059 taxis and hackneys which are wheelchair accessible, with many people relying on these daily;
- the very important service taxi drivers provide as part of the public transport system across Ireland;
- the selfless contribution that taxi drivers have made during the pandemic, with many working throughout, despite the dangers, ferrying nurses and doctors to hospitals to ensure they could continue to care for patients;
- the huge challenges faced by the drivers in the taxi industry as a result of the ongoing Covid-19 pandemic;
- the evidence given by taxi representatives to the Oireachtas Special Committee on Covid-19 Response;
- that 23 per cent of drivers in the industry are aged over 66 years and are excluded from the Covid-19 Pandemic Unemployment Payment scheme;
- that 15 per cent of drivers in the industry are aged over 70 years, and while the public health advice was for these people to limit the number of close contacts they had, many were forced back to work early, due to the lack of State support;
- the taxi protest scheduled, which highlights the frustration expressed by drivers at the lack of support and assistance from the Government and the National Transport Authority during the current pandemic;
- that the recent media reports, which suggest taxis could be banned from bus lanes, have caused offence and concern in the industry at an already very challenging time; and
- the Advisory Committee on Small Public Service Vehicles (Taxi Advisory Committee) has lost the confidence of many drivers; and

calls on the Government to:

- hold constructive engagements with taxi drivers and their representative groups to

discuss the challenges faced by the industry and to listen to the constructive proposals brought forward;

- introduce a financial assistance package to help taxi drivers to get back to work;
- introduce a temporary moratorium on the issuing of new taxi licences during the current pandemic;
- permit, for the length of the current pandemic, a two-year extension for vehicles which would normally have to be replaced as a result of the nine-year rule, provided such vehicles are safe and roadworthy;
- undertake a review of the current Advisory Committee on Small Public Service Vehicles (Taxi Advisory Committee); and
- establish a National Public Transport Forum and produce a long-term strategy for the future viability of the taxi industry here.” — *Darren O'Rourke, Chris Andrews, John Brady, Martin Browne, Pat Buckley, Matt Carthy, Sorca Clarke, Rose Conway-Walsh, Réada Cronin, Seán Crowe, David Cullinane, Pa Daly, Pearse Doherty, Paul Donnelly, Dessie Ellis, Mairéad Farrell, Kathleen Funchion, Thomas Gould, Johnny Guirke, Martin Kenny, Claire Kerrane, Pádraig Mac Lochlainn, Mary Lou McDonald, Denise Mitchell, Imelda Munster, Johnny Mythen, Eoin Ó Broin, Donnchadh Ó Laoghaire, Ruairí Ó Murchú, Louise O'Reilly, Aengus Ó Snodaigh, Maurice Quinlivan, Patricia Ryan, Brian Stanley, Pauline Tully, Mark Ward, Violet-Anne Wynne.*

24. “That Dáil Éireann:

notes:

- the failure of the previous Government to legislate to implement the recommendations of the ‘Expert Examination and Review of Laws on the Protection of Employee Interests when assets are separated from the operating entity (Duffy-Cahill Report)’ which was commissioned following the closure of Clearys’ department store, and that this report made six recommendations aimed at protecting the rights of workers made redundant through insolvency;
- that a key recommendation of that report was that the State should have the right to chase up transferred assets and to use them to fund payments due to workers as per collective agreements; and
- workers at Debenhams Ireland are being denied their right to four weeks redundancy pay per year of service as per a collective agreement with their union, Mandate;

further notes the distinct possibility of a large number of closures and insolvencies due to the economic crisis caused by the Covid-19 pandemic, which could affect thousands of laid-off workers; and

calls on the Government to:

- introduce emergency legislation to implement the Duffy-Cahill Report recommendations as a matter of urgency; and
- examine the need for a ring-fenced insolvency fund, such as exists in several European Union states, to allow for all payments due to workers laid off by an insolvent company, which could be financed by a levy on employers Pay Related Social Insurance.” — *Joan Collins, Catherine Connolly, Michael Fitzmaurice,*
