*Notices of Motions:*

- 89.** “That Dáil Éireann:

recognises:

- that transactions within the post office network are down by an estimated 25 per cent due to the Covid-19 pandemic, which heightens the serious viability challenges facing the network; and
- the need to put the post office network on a sustainable operational and financial footing in line with the Cabinet decision in 2017; and

calls on the Government to:

- designate the post office network as the ‘offline gateway’ of choice for citizens availing of State services due to its unique nationwide network and existing strong relationship with offline citizens;
- commence the provision of offline Government services with the availability of motor tax renewal through the post office network; and
- give recognition to the existing post office network as both a rural economic lifeline service and a locus for future development of financial services outside of the existing banking framework.” — *Cathal Berry, Seán Canney, Peter Fitzpatrick, Noel Grealish, Michael Lowry, Verona Murphy, Denis Naughten, Matt Shanahan, Peadar Tóibín.*

[28 July, 2020]

**91.** “That Dáil Éireann:

recognises that:

- many of our towns and villages do not have water and wastewater treatment services;
- we need people living in communities to develop growth centres;
- towns and villages need investment to provide the infrastructure necessary to attract families to live, work and raise their families;
- clean water and wastewater systems are essential components to grow communities; and
- the excessive cost to the homeowner for the provision of water and wastewater treatment services is a barrier to providing homes;

acknowledges that:

- regional development will provide the catalyst for economic recovery post Covid-19 and Brexit;
- local authorities and developers require clear policies and actions to ensure proper planning takes place; and
- the provision of housing for all is a national economic and social imperative, and infrastructural costs in the provision of water and wastewater treatment cannot be borne solely by house purchasers; and

calls on Government to:

- create a strategic plan to make regional development a reality by investing in water and wastewater infrastructure in our towns and villages;
- implement a development lead infrastructure scheme to fast track infrastructural development in our towns and villages to create balanced development; and
- put in place a transparent cost structure for new, and extensions to existing, water and wastewater treatment infrastructure.” — *Cathal Berry, Seán Canney, Peter Fitzpatrick, Noel Grealish, Michael Lowry, Verona Murphy, Denis Naughten, Matt Shanahan, Peadar Tóibín.*
