Notices of Motions:

- 104.** “That Dáil Éireann:

notes that:

- the Irish greyhound industry receives substantial public funding;
- in 2021, the Exchequer will subsidise greyhound racing in Ireland by €19.2 million, an increase of €2.4 million from 2020;
- the industry has received approximately €280 million in taxpayer funding since 2000;
- the last two decades have seen significant falls in attendance and sponsorship for the

greyhound industry;

- as turnover from racing activities has steadily declined over the last decade from €32.9 million in 2010 to €22.7 million in 2017, the State subvention has increased from €11.9 million in 2010 to €16.8 million in 2020;
- turnover from greyhound racing activity at Greyhound Racing Ireland (GRI) fell by three per cent in 2019; and
- in 2019, an independent investigation found that 16,000 greyhounds are born every year, and approximately 6,000 of those are killed because they failed to reach the required standard;

acknowledges that:

- while improvements have been made in funding for animal care relating to the industry, this was only committed to under significant public pressure in the wake of the aforementioned investigation;
- it is unlikely that the greyhound industry in this country could survive in the absence of taxpayer funding;
- the norm across almost all racetracks in Ireland is for track losses to significantly exceed profits from Tote betting;
- in continuing to contribute millions of euros of public money to greyhound racing every year, the Government is propping up an inherently cruel industry which the Irish public has been increasingly rejecting;
- the Irish Greyhound Board/GRI commissioned a report which described the breeding of the greyhounds as ‘out of control’; and
- the Irish Greyhound Board/GRI has not delivered a dividend to the State in the past 25 years and is unlikely to do so in the future; and

calls on the Government to:

- waive the increased funding of €2.4 million due to be given to the greyhound industry;
- incrementally refocus greyhound racing funding to the welfare of dogs impacted by breeding and racing associated with the industry; and
- work towards the gradual phasing out of State support for the Irish greyhound industry by 2025.” — *Holly Cairns, Gary Gannon, Catherine Murphy, Cian O’Callaghan, Róisín Shortall, Jennifer Whitmore.*

105. “That Dáil Éireann resolves that the Social Welfare (Consolidated Claims, Payments and Control) (Amendment) (No. 9) (Absence from the State) Regulations 2020 (S.I. No. 242 of 2020) be and are hereby annulled.” — *Paul Murphy, Mick Barry, Richard Boyd Barrett, Gino Kenny, Bríd Smith.*

[28 July, 2020]

106. “That Dáil Éireann:
recognises that:

- many of our towns and villages do not have water and wastewater treatment services;
- we need people living in communities to develop growth centres;
- towns and villages need investment to provide the infrastructure necessary to attract families to live, work and raise their families;
- clean water and wastewater systems are essential components to grow communities; and
- the excessive cost to the homeowner for the provision of water and wastewater treatment services is a barrier to providing homes;

acknowledges that:

- regional development will provide the catalyst for economic recovery post Covid-19 and Brexit;
- local authorities and developers require clear policies and actions to ensure proper planning takes place; and
- the provision of housing for all is a national economic and social imperative, and infrastructural costs in the provision of water and wastewater treatment cannot be borne solely by house purchasers; and

calls on Government to:

- create a strategic plan to make regional development a reality by investing in water and wastewater infrastructure in our towns and villages;
- implement a development lead infrastructure scheme to fast track infrastructural development in our towns and villages to create balanced development; and
- put in place a transparent cost structure for new, and extensions to existing, water and wastewater treatment infrastructure.” — *Cathal Berry, Seán Canney, Peter Fitzpatrick, Noel Grealish, Michael Lowry, Verona Murphy, Denis Naughten, Matt Shanahan, Peadar Tóibín.*
