Notices of Motions:

121. “That Dáil Éireann:

recognises:

- that the Covid-19 pandemic and the resulting economic recession have negatively affected many peoples' mental health and created new barriers for people already suffering from mental illness and substance use disorders;
- that many mental health organisations have reported significant increases in the use of their online and telephone services due to a broad range of issues impacting young people, which include anxiety and depression;
- the share of health funding allocated to mental health in recent years ranged from 5.7 per cent to 6.3 per cent, while in 2019 it was at 6.3 per cent, but will fall dramatically to 5.2 per cent in 2021, despite an expected significant rise in demand for supports and services in the wake of the Covid-19 pandemic;
- that current Government policy is completely failing to achieve the Sláintecare objective of 10 per cent of health monies being allocated to mental health, even though that recommendation is below international recommendations;
- that it is incomprehensible for the mental health share of the overall health budget to decline, at a time when demand for the services has never been greater, and as Ireland faces the implementation of the mental health strategy ‘Sharing the Vision – A Mental Health Policy for Everyone’ that was launched just a few months ago;
- the immeasurable and long-lasting impact of the restrictive lockdowns, and lack of an exit strategy, especially on older and vulnerable people, who are experiencing severe social isolation and loneliness;
- that the Irish mental health services are grossly underfunded, and this has been compounded by the Covid-19 pandemic;
- the very significant impact on health and well-being from the Covid-19 virus and the associated lockdowns;
- the drastic impact of the Covid-19 virus, Government policies and associated lockdowns on other patients due to postponed medical treatment or check-ups;
- the drastic impact of the Covid-19 virus, Government policies and associated lockdowns on cancer screening services, with many cancers going undetected due to the suspension of cancer screening services;
- that the hospital and long-term care system in Ireland has suffered from significant under-investment for many years;
- that the entire public health system itself is another area that has suffered from many years of chronic under-investment;
- the tremendous and Trojan efforts made by all front-line workers, particularly healthcare workers during the Covid-19 pandemic;
- the Government’s failure to provide an adequate remuneration to student nurses, who have been doing incredible work during the pandemic, while facing the same Covid-19 risks as any other healthcare worker, with the same bills, but receiving nothing in return;
- the powerful solidarity with family, neighbours and fellow citizens which emerged in every community, despite the often mixed and confused messaging of the Government;
- the complete failure of the Government to put in place a seamless replacement service to the European Union (EU) Cross Border Directive (CBD) for patients who wish to

avail of treatments in Northern Ireland, and the grave impact this will have on the State's already crumbling healthcare system;

- that Irish households and businesses have experienced very considerable economic disruptions from the Covid-19 pandemic;
- that Government's policy on restrictions has exacerbated or created a deeper urban-rural divide, by insisting on the ongoing closure of small rural pubs and confining people to a two kilometre or five kilometre area, with little access to any services in many rural areas;
- the continual closure of small rural pubs has left hundreds of rural villages decimated and exacerbated rural isolation and loneliness;
- that the restrictive lockdowns, without a proper social and economic exit plan on re-opening the country, will cost tens of thousands of jobs to be lost;
- that the economy has been hit here much harder than necessary, due to the lack of any cohesive system of testing and contact tracing;
- that the Covid-19 pandemic has again highlighted the complete lack of adequate services, such as public transport, broadband and school transport in many rural areas;
- the lack of Government support to Irish Small and Medium Enterprises (SMEs) who are unable to obtain cash flow from the pillar banks, despite the European Central Bank making approximately €9 billion available to Ireland's banking sector, to support enterprises during the Covid-19 pandemic; and
- the complete failure of the €2 billion Governments Covid-19 Credit Guarantee Scheme (Covid-19 CGS) due to SMEs being unable to access it, due mainly to:
 - stringent restrictions;
 - high interest rates being charged; and
 - exclusion of many small businesses from accessing the scheme; and

calls on the Government to:

- provide additional funding of at least €250 million or a 25 per cent increase, to begin to fund the mental health fall-out from the Covid-19 pandemic in 2021;
- immediately allow rural pubs to re-open, while adhering to all public health guidelines, in order to save businesses, protect rural employment, support rural towns and villages and provide a safe place for rural dwellers to meet and socialise responsibly, in order to combat the impacts of rural isolation and loneliness;
- publish a clear, transparent and concise exit strategy from this virus, so that everyone can begin to plan for the future and know that there is light at the end of the tunnel;
- provide all healthcare front line workers with a Christmas bonus payment;
- end the exploitation of student nurses and pay all final-year interns the same rate as healthcare assistants, increase and expand the clinical placement allowance for all other students, and provide full health and safety protection to all students, including payment if they have to go on Covid-19 related leave;
- implement an emergency programme to clear the backlogs in screening and treatments due to postponed medical treatments or check-ups;
- again, put an alternative scheme in place to ensure a seamless transition to the EU

CBD from 1st January, 2021;

- implement measures to fast track cancer screening services and procedures;
- implement an internationally acceptable, cohesive system of Covid-19 testing and contact tracing;
- agree to a debate and vote in Dáil Éireann in January 2021, on the implementation of the regional and rural development, which is underpinned in the Project Ireland 2040 plan;
- offer tangible supports to Irish small and medium sized businesses by forcing Irish banks to lend to businesses at interest rates comparable to other EU countries (as opposed to the current rip-off rates being charged – despite, the banks obtaining the funds at rates as low as minus one per cent), in order to support cash-flow until the Covid-19 pandemic passes; and
- immediately examine, simplify and reduce the interest rate on the failed €2 billion Government Covid-19 CGS aimed at SMEs, and consider removing the pillar banks from the administration of the funds, while extending the scheme until the end of 2021.” — *Mattie McGrath, Michael Collins, Carol Nolan, Michael Healy-Rae, Richard O'Donoghue, Danny Healy-Rae.*

122. “That Dáil Éireann resolves that the Social Welfare (Consolidated Claims, Payments and Control) (Amendment) (No. 9) (Absence from the State) Regulations 2020 (S.I. No. 242 of 2020) be and are hereby annulled.” — *Paul Murphy, Mick Barry, Richard Boyd Barrett, Gino Kenny, Bríd Smith.*

[28 July, 2020]

123. “That Dáil Éireann:

recognises that:

- many of our towns and villages do not have water and wastewater treatment services;
- we need people living in communities to develop growth centres;
- towns and villages need investment to provide the infrastructure necessary to attract families to live, work and raise their families;
- clean water and wastewater systems are essential components to grow communities; and
- the excessive cost to the homeowner for the provision of water and wastewater treatment services is a barrier to providing homes;

acknowledges that:

- regional development will provide the catalyst for economic recovery post Covid-19 and Brexit;
- local authorities and developers require clear policies and actions to ensure proper planning takes place; and
- the provision of housing for all is a national economic and social imperative, and infrastructural costs in the provision of water and wastewater treatment cannot be

bornes solely by house purchasers; and

calls on Government to:

- create a strategic plan to make regional development a reality by investing in water and wastewater infrastructure in our towns and villages;
- implement a development lead infrastructure scheme to fast track infrastructural development in our towns and villages to create balanced development; and
- put in place a transparent cost structure for new, and extensions to existing, water and wastewater treatment infrastructure.” — *Cathal Berry, Seán Canney, Peter Fitzpatrick, Noel Grealish, Michael Lowry, Verona Murphy, Denis Naughten, Matt Shanahan, Peadar Tóibín.*

[15 October, 2020]

124. “That Dáil Éireann, pursuant to Standing Order 77:

notes that:

- on 19th August, 2020, Mr. Justice Séamus Woulfe attended a dinner organised by the Oireachtas Golf Society in Clifden, Co. Galway;
- public health regulations in force at that time made it an offence to organise an indoor social event where the numbers attending exceeded 50 persons (other than in a private dwelling);
- the dinner at Clifden had around 80 attendees, significantly in excess of the 50 persons permitted;
- the Government had announced new guidelines on 18th August, 2020, which restricted the numbers permitted at an indoor social event to six persons;
- while these new guidelines did not immediately have the force of law, they did reflect the urgent advice of public health experts in the context of a highly contagious disease;
- Mr. Justice Woulfe’s attendance at an event which was inconsonant with both the public health regulations in force and those which had been publicly announced the day previously, had the effect of undermining the public health effort, which all in society were being urged to participate in, given the grave threat of the spread of Covid-19; and
- Mr. Justice Woulfe’s subsequent response to the public controversy in relation to his attendance at this dinner, as illustrated by the transcript of his interview with Ms. Justice Susan Denham and his correspondence with Mr. Justice Frank Clarke, further undermined the public health effort; and

calls for the removal, pursuant to Article 35.4.1^o of the Constitution of Ireland, of Mr. Justice Séamus Woulfe, Judge of the Supreme Court, from office for stated misbehaviour, being his conduct in and in relation to attending the Oireachtas Golf Society dinner in Clifden on 19th August, 2020, undermining the public health effort during a pandemic, and thereby rendering himself unsuitable to exercise the office of a Judge of the Supreme Court.” — *Paul Murphy, Brid Smith, Richard Boyd Barrett, Gino Kenny.*
