Notices of Motions:

116. “That Dáil Éireann resolves that the Social Welfare (Consolidated Claims, Payments and Control) (Amendment) (No. 9) (Absence from the State) Regulations 2020 (S.I. No. 242 of 2020) be and are hereby annulled.” — *Paul Murphy, Mick Barry, Richard Boyd Barrett, Gino Kenny, Bríd Smith.*

117. “That Dáil Éireann:

recognises that:

- many of our towns and villages do not have water and wastewater treatment services;
- we need people living in communities to develop growth centres;
- towns and villages need investment to provide the infrastructure necessary to attract families to live, work and raise their families;
- clean water and wastewater systems are essential components to grow communities; and
- the excessive cost to the homeowner for the provision of water and wastewater treatment services is a barrier to providing homes;

acknowledges that:

- regional development will provide the catalyst for economic recovery post Covid-19 and Brexit;
- local authorities and developers require clear policies and actions to ensure proper planning takes place; and
- the provision of housing for all is a national economic and social imperative, and infrastructural costs in the provision of water and wastewater treatment cannot be borne solely by house purchasers; and

calls on Government to:

- create a strategic plan to make regional development a reality by investing in water and wastewater infrastructure in our towns and villages;
- implement a development lead infrastructure scheme to fast track infrastructural development in our towns and villages to create balanced development; and
- put in place a transparent cost structure for new, and extensions to existing, water and wastewater treatment infrastructure.” — *Cathal Berry, Seán Canney, Peter Fitzpatrick, Noel Grealish, Michael Lowry, Verona Murphy, Denis Naughten, Matt Shanahan, Peadar Tóibín.*

118. “That Dáil Éireann, pursuant to Standing Order 77:

notes that:

- on 19th August, 2020, Mr. Justice Séamus Woulfe attended a dinner organised by the Oireachtas Golf Society in Clifden, Co. Galway;
- public health regulations in force at that time made it an offence to organise an indoor social event where the numbers attending exceeded 50 persons (other than in a private

dwelling);

- the dinner at Clifden had around 80 attendees, significantly in excess of the 50 persons permitted;
- the Government had announced new guidelines on 18th August, 2020, which restricted the numbers permitted at an indoor social event to six persons;
- while these new guidelines did not immediately have the force of law, they did reflect the urgent advice of public health experts in the context of a highly contagious disease;
- Mr. Justice Woulfe’s attendance at an event which was inconsonant with both the public health regulations in force and those which had been publicly announced the day previously, had the effect of undermining the public health effort, which all in society were being urged to participate in, given the grave threat of the spread of Covid-19; and
- Mr. Justice Woulfe’s subsequent response to the public controversy in relation to his attendance at this dinner, as illustrated by the transcript of his interview with Ms. Justice Susan Denham and his correspondence with Mr. Justice Frank Clarke, further undermined the public health effort; and

calls for the removal, pursuant to Article 35.4.1° of the Constitution of Ireland, of Mr. Justice Séamus Woulfe, Judge of the Supreme Court, from office for stated misbehaviour, being his conduct in and in relation to attending the Oireachtas Golf Society dinner in Clifden on 19th August, 2020, undermining the public health effort during a pandemic, and thereby rendering himself unsuitable to exercise the office of a Judge of the Supreme Court.” — *Paul Murphy, Bríd Smith, Richard Boyd Barrett, Gino Kenny.*

[1 December, 2020]

119. “That Dáil Éireann, in view of the serious threat that Covid-19 poses to people all over the world:

- calls on the World Trade Organization (WTO) to allow all countries to choose to neither grant nor enforce patents and other intellectual property related to Covid-19 drugs, vaccines, diagnostics and other technologies for the duration of the pandemic;
- mandates the Government to demand that European Union policy is changed so as it votes at the WTO to allow this to occur, and Ireland should support the proposal brought forward by India and South Africa to suspend aspects of the WTO TRIPS Agreement until the pandemic is over; and
- calls for full open disclosure of all scientific and clinical trial data related to the development and production of such vaccines, and should this occur, further calls for the convocation of an expert panel to independently analyse the data and develop public health communication strategies based on their findings, that aim to increase public trust and participation in the immunisation process.” — *Richard Boyd Barrett, Mick Barry, Gino Kenny, Paul Murphy, Bríd Smith.*
