— appalled at the continuing imprisonment of 5 law abiding citizens from Rossport in County Mayo;

 - invites the five men simultaneously to apologise to the court; and
 - calls on the Government to appoint an independent mediator acceptable to the five men to do the following:
 - (1) To report, using independent professional and technical advice as required, on the appropriateness or otherwise of the proposed development on environmental, health and safety grounds and in particular on the appropriateness or otherwise of the use of Quantified Risk Assessments in such a development;
 - (2) To identify and quantify following discussions with the Government and Shell how if at all the proposed development will be used to benefit this region of Mayo; and
