33. “That Seanad Éireann urges the Government to accept the recommendations of Transparency International including:

- the introduction of laws, similar to those in the UK, to protect whistleblowers in the public and private sector who report concerns of public importance;
- the introduction of a Register of Lobbyists that would bring more transparency to the relationship between government, regulators, business and interest groups.
- the ratification of international conventions against corruption, including the UN Convention described as the “Kyoto Protocol” on global corruption.
- the establishment of a Garda Anti-Corruption Unit and more resources for law enforcement agencies including the Director of Corporate Enforcement, the Competition Authority, the Criminal Assets Bureau, and the Garda Fraud Squad;
- the reform of the Freedom Information fee system as the Irish FOI fees and costs of appeals are the highest in the developed world;
- the publication of local Councillors’ declarations of interest on the internet;
- the scrapping of Government plans to treble the amount of gifts and loans politicians can receive and keep secret;
- the publication of an annual report by the Comptroller and Auditor General on some of the most costly public contracts each year;

- tús a chur leis seo le linn ‘Seachtain na Gaeilge’ sa Dáil an 10, 11, 12 Márta nuair a dhéanfar 50% de ghnó an tSeanaid trí mheán na Gaeilge.”

36. “That Seanad Éireann,

- while acknowledging that recent budgetary provisions have led to serious inequities and that these inequities will require to be addressed in the near future;
- recognising the crucial role that the trade union movement continues to play in Irish life; and
- having regard to the urgency of the economic situation and the need for unity among all sectors of the community in dealing with this situation;

views with concern the proposal by ICTU to organise a one-day strike on Monday 30th March, 2009 and calls on the leadership of ICTU to cancel the proposed day of action in order to facilitate the best national effort in dealing with the current economic crisis.”

—*Senators Rónán Mullen, Shane Ross.*

37. “That Seanad Éireann calls on the Government to implement a new economic stimulus package by establishing a state holding company called the New Economic and Recovery Authority to oversee targeted investment in a series of key infrastructural areas designed to generate 100,000 jobs over the next four years, while also re-structuring existing Government agencies dealing with these areas.

— The NewERA will oversee investment in:

- Green energy power generation, including electric transport
- next generation broadband roll-out
- upgrading water distribution and treatment works

— Unlike investments financed by the tax-payer, the NewERA investments will not count as Government expenditure as they will be financial investments seeking a commercial rate of return.

— An additional €11 billion in investment funds will be managed by the NewERA, on top of the outstanding €7 billion worth of NDP projects in the relevant areas.

— The NewERA will be funded from a contribution of sources, including:

- the National Pension Reserve Fund
- additional forms of borrowing by the NewERA and
- sale of existing state assets no longer serving the strategic goals of the NewERA initiative, subject to Oireachtas approval.”
