**38. Tairiscintí nach ón Rialtas:
Non-Government Motions:**

1. “That Seanad Éireann noting:

- that Ireland has one of the highest levels of alcohol consumption in the world;
- that the level of alcohol consumption in Ireland and the economic and social problems which it creates is now such as to amount to a crisis for this country, tarnishing its image both at home and abroad;
- the persistent and serious problem of alcohol related violence, anti-social behaviour and other offences throughout the country;
- that 97% of all public order offences are alcohol related (National Crime Council 2003);

- the fact that alcohol is a gateway drug for many young people amounting to an illegal industry of €145m annually;

and considering:

- the widespread and extensive exposure of alcoholic products through media outlets such as television, radio, cinema, and billboard advertising;
- the strong links that alcohol advertising has to sponsorship of sport and other cultural activities;
- that advertising of alcohol portrays a simple social activity and one to be encouraged;
- that alcohol advertisements hold a strong appeal for young people and are considered by young people to be stylish and humorous, showing alcohol as promoting a desirable lifestyle, and helping to improve confidence in social skills (the Impact of Alcohol Advertising on Teenagers in Ireland 2001);
- that measures are needed to curtail the demand for alcohol, to complement the measures introduced in the Intoxicating Liquor Act 2008, which restricts the supply of alcohol;

Leasú:

Amendment:

1. To delete all words after “Seanad Éireann” and substitute the following:

“notes that:

the Capital city still does not have a high speed integrated and sustainable public transport system to entice commuters from their cars to reliable public transport;

Dublin Bus is taking more buses off the road and reducing routes, therefore cutting services to local communities;

the Government has failed to implement its planned policy on bus competition;

the integrated ticketing scheme has still not been completed ten years after its announcement;

sustainable travel projects such as bus Park and Ride, Real Time Information and Metro North are stalled after a decade of planning;

there is a clear inability of our transport bodies to turn strategy into action;

considering that:

billions of taxpayers money has been spent on infrastructural projects in the transport sector;

the subvention to Dublin Bus has more than quadrupled in 10 years to €82.4m in 2009;

calls on the Government to:

honour its commitment to provide commuters with a real alternative to the car;

ensure Dublin Bus publishes in full its recent Network Review; and

allow private public transport operators to enter the bus market.”
