and considering:

- the widespread and extensive exposure of alcoholic products through media outlets such as television, radio, cinema, and billboard advertising;
- the strong links that alcohol advertising has to sponsorship of sport and other cultural activities;
- that advertising of alcohol portrays a simple social activity and one to be encouraged;
- that alcohol advertisements hold a strong appeal for young people and are considered by young people to be stylish and humorous, showing alcohol as promoting a desirable lifestyle, and helping to improve confidence in social skills (the Impact of Alcohol Advertising on Teenagers in Ireland 2001);
