recognising:

 - overseas visitor numbers fell by close to one million in 2009 compared to 2008;
 - Ireland’s largest tourism market, the United Kingdom, declined by 16%;
 - access to Ireland has become worryingly restricted with the ongoing removal of routes and restrictions in airline capacity at both Shannon and Dublin airports;

considering:

- the introduction of a departure tax was short-sighted, counterproductive and a deterrent to the survival of the tourism industry;
- the yield from the departure tax in 2009 at 84.4m was a counterproductive measure considering the overall drop in tourism revenue;
- other European countries such as Belgium, Denmark, Holland, Spain and Greece have moved to reduce airport charges and withdraw tourist taxes in an effort to boost tourism; and

calls on Government to immediately abolish the departure tax.”

12. “That Seanad Éireann urges the Government to implement the recommendation of various committees including the Oireachtas Committee on the Constitution Report of 1998 on the Presidency which the parties have agreed in principle that in order fully to democratise our highest institutions of State a petition containing 10,000 authorised signatures should be sufficient to enable an Irish citizen in good standing to stand for election as President of Ireland.”

—*Senators David Norris, Ivana Bacik, Feargal Quinn, Rónán Mullen.*

[18 May, 2010]

14. “That Seanad Éireann:

notes with concern that:

- Ireland has suffered the longest and deepest recession of any euro-zone country because of reckless domestic management of the economy;
- investment, consumption, employment and living standards continued to decline in the first quarter of this year;
- the seasonally-adjusted numbers of the Live Register rose by a further 5,800 in June and the actual number claiming now exceeds 450,000 for the first time ever;
- the Government plans to cut a further 14 billion from investment spending in between 2011-14 compared with the original commitments in the National Development Plan;
- the estimated taxpayer losses from the Government’s banking strategy has reached 25 billion and is rising, even as it has failed to restore credit availability to industry; and
- market confidence in the Government’s economic plan is declining, as evidenced by the rising gap between Irish and German borrowing costs.

calls on the Government to:

- recognise that its economic plan is failing to undo the loss of international financial market confidence in Ireland;
- put jobs and industry growth at the centre of its economic strategy;
- review its banking strategy to limit the taxpayers’ exposure and to focus resources on supporting new lending to viable businesses;
- delay further cuts to investment spending until employment starts to recover; and

- restructure and re-capitalise the semi-state utilities in order to raise the necessary commercial funding to accelerate investments in water, high speed broadband and clean energy.”.
- *Senators Frances Fitzgerald, Paul Bradford, Paddy Burke, Jerry Buttimer, Ciaran Cannon, Paudie Coffey, Paul Coghlan, Maurice Cummins, Paschal Donohoe, Fidelma Healy-Eames, Nicky McFadden, Joe O’Reilly, John Paul Phelan, Eugene Regan, Liam Twomey.*

[2 July, 2010]

Leasú:

Amendment:

1. To delete all words after “Seanad Éireann” and substitute the following:

“commends the Government for:

- its management of the economy which means that Ireland has emerged from recession with the strongest GDP growth rate of the euro area in the first quarter of this year;
- the policies it is pursuing to maintain credibility and sustainability in the public finances, which have been recognised internationally;
- the initiatives taken by the Government to preserve the stability of the banking system and to address the issue of asset quality in the banking system through strengthening the banks balance sheets in order to facilitate the flow of credit to viable borrowers and thereby underpin economic recovery;
- the measures taken to protect employment including the Stabilisation Fund, the Temporary Employment Subsidy and the PRSI Exemption scheme with the result that employment levels remain at nearly 1.9 million people, which is about half a million more than in 1997;
- the measures taken to provide additional opportunities in education, training and work placement for the unemployed to assist them in returning to the labour market;

and notes that:

- confidence has improved and spending on discretionary items such as cars has increased;
- the Government has kept spending for investment at high levels relative to national income by international standards;
- the public finances are stabilising and are generally in line with expectations for this point in the year;
- whilst the labour market has deteriorated significantly recently, nearly 1.9 million people are still in employment, which is about half a million more than in 1997;
- virtually all OECD countries have experienced major economic and financial difficulties over the past two years or so;
- notwithstanding volatility on foreign sovereign debt markets, the NTMA has at the mid year point, raised over 80 per cent of the funding requirements for 2010 and we are in a comfortable position with regard to funding this year and even if we did no further borrowing this year, existing cash reserves would cover our borrowing requirements for the remainder of the year;

P.T.O.

— the Government through its ongoing management will continue to address the economic, fiscal and banking sector issues facing the country over the coming years in a responsible and sustainable manner.”.

—*Senator Donie Cassidy.*

15. “That Seanad Éireann affirms that each Senator should vote according to his or her conscience on the Civil Partnership and Certain Rights and Obligations of Cohabitants Bill 2009 and, accordingly, calls on all political parties to allow a free vote to their members when any vote is called on the Bill itself, or on its individual sections, or on any amendment tabled.”.
