25. *Tairiscintí nach ón Rialtas:*
Non-Government Motions:

1. “That Seanad Éireann:

- calls on the Government to set a date for the long-promised referendum on extending the right to vote in presidential elections to citizens resident outside the State, as set out in the Programme for Government; and
 - calls on all parties and groups in Seanad Éireann and Dáil Éireann to work to ensure the swift passage of the necessary Referendum Bill through the Oireachtas.”
- *Senators Niall Ó Donnghaile, Lynn Boylan, Paul Gavan, Elisha McCallion, Fintan Warfield.*

[6th July, 2020]

2. “That Seanad Éireann:

- condemns the ruling by An Bord Pleanála to allow for the demolition of another historic Dublin landmark, The O’Rahilly’s house at 40 Herbert Park, Ballsbridge, Dublin 4, to make way for the development of luxury accommodation;
- calls on the Minister for Housing, Local Government and Heritage to make a statement on the matter and on the need to protect our historical built heritage;
- agrees that it is now more important than ever to take the initiative in order to ensure that further aspects of our history are not erased in the name of private profit, especially historic buildings and areas related to our revolutionary heritage;

given the preceding, as well as the fact that we are in the midst of commemorating the

Decade of Centenaries:

- calls on the Government to purchase the remainder of the full terrace of houses on Moore Street, Dublin 1, not currently in State ownership, so that this important street can be fully developed into a revolutionary and cultural quarter worthy of the history of the area, that respectfully and proudly tells the story of the Easter Rising and the struggle for Irish freedom, as well as becoming a must-see tourist destination and place for study, research, education and understanding of our past, present and future.”
- *Senators Niall Ó Donnghaile, Lynn Boylan, Paul Gavan, Elisha McCallion, Fintan Warfield, Victor Boyhan.*

[14th September, 2020]

3. “That Seanad Éireann:

notes:

- with deep concern and disappointment, the recent announcement by Bus Éireann that it proposes to suspend several ‘Expressway’ routes between Dublin and other cities across the island;
- the significant economic, social and environmental impact the removal of these services will have on the communities and areas most impacted and the wider implications throughout the rest of Ireland;

understands:

- the difficult circumstances faced by service providers in the context of Covid-19 and shares the concerns of the many workers and commuters who will be detrimentally impacted by Bus Éireann’s proposed move;

agrees:

- that it is unacceptable that a sustainable funding plan has not been put in place for our public transport network during the ongoing pandemic;

and calls:

- on the Minister for Climate Action, Communications Networks and Transport, and the Government to urgently intervene in order to ensure that Bus Éireann has adequate funding to maintain these crucial routes.”
- *Senators Niall Ó Donnghaile, Lynn Boylan, Paul Gavan, Elisha McCallion, Fintan Warfield.*

[29th September, 2020]

4. “That Seanad Éireann:

acknowledges:

- families, carers and service providers have been stretched to incredible lengths, many to breaking point throughout the course of this pandemic;

- the personal toll and long-term impact of the withdrawal of care and supports for people with disabilities, their families and their carers is deeply worrying;
- due to Covid-19, disability services that rely on voluntary fundraising to meet operating costs have been unable to do so;
- services are suffering from chronic underfunding which has resulted in unmet need exacerbated by Covid-19;
- reopened disability day services are operating at approximately 40 per cent capacity;
- service providers submitted their funding requirements to the Health Service Executive in mid-June; and
- the Government's allocation of €10 million in additional funding to day services and home support services for disability service users is insufficient and will not meet the urgent Covid-19 related costs for service providers, community and home support;

recognises:

- that Ireland's ratification of the United Nations Convention on the Rights of Persons with Disabilities requires progressive implementation; and
- the innovative and committed response of disability and dementia service providers in the delivery of care and support for people with disabilities and their families throughout this pandemic; and

calls on the Government to:

- provide the funding required to fully reopen day and other essential disability services to implement all Covid-19 related protocols; and
- provide the additional funding, resources and capital investment required to guarantee sustainable capacity within disability and dementia services.”
 – *Senators Ivana Bacik, Annie Hoey, Rebecca Moynihan, Marie Sherlock, Mark Wall, Lynn Boylan, Paul Gavan, Elisha McCallion, Niall Ó Donnghaile, Fintan Warfield, Frances Black, Eileen Flynn, Alice-Mary Higgins, Lynn Ruane, Gerard Craughwell, Victor Boyhan.*

[6th October, 2020]

5. “That Seanad Éireann:

acknowledges:

- the Shannon Group supports over 46,000 jobs and contributes €1.1 billion in tax revenue to the exchequer;
- the importance of the Shannon Group to the Midwest region to maintain jobs and to continue economic development of the region, as well as to the national economy;

- the need to ensure the continued survival of international air travel from the Midwest region;
- that regional balanced economic development must be central to Government planning;

and calls on the Government to:

- commit fully to the survival and development of the Shannon Group and maintain its many international travel routes; and
 - commit to the re-integration of Shannon Group under the remit of State control within the DAA in order to ensure collective leverage is attained in order to secure vital routes to London Heathrow and the East Coast of the United States of America.”
- *Senators Niall Ó Donnghaile, Lynn Boylan, Paul Gavan, Elisha McCallion, Fintan Warfield.*

[7th October, 2020]

Leasú:

Amendment:

1. To delete all words after “That Seanad Éireann:” and substitute the following:

“notes that:

- Shannon Group, a commercial semi-state body, is a driver of economic growth in the Midwest;
- Shannon Group, which operates in both the aviation and tourism sectors, has been particularly severely impacted by Covid-19;
- the aviation and tourism sectors are major contributors to Ireland’s economy;
- successive Government policies have recognised and supported this contribution and pointed to Ireland’s reliance, in particular, on international connectivity to secure its competitive position internationally;
- Shannon Airport is an important player in delivering high quality international connectivity, particularly for the Midwest region;
- the Government is committed to balanced regional development; Project Ireland 2040 is a clear manifestation of this commitment and the Government recognises the valuable role that all our State and non-State regional airports play in this regard;
- the Programme for Government ‘Our Shared Future’ recognises the huge value of our aviation sector in supporting economic development, international connectivity and tourism via our airports;
- the Government is committed to enhancing connectivity by ensuring safe, sustainable and competitive air access responsive to the needs of business, tourism and consumers;

recognises:

- prior to the onset of Covid-19, Shannon Group was on a growth trajectory with significant

progress made in pursuit of its mandated objectives;

- since its formation in 2014, the Shannon Group has achieved a number of successes including:
 - growing passenger numbers at Shannon Airport by 23 per cent (since separation);
 - increasing commercial occupancy in the Shannon Free Zone from 40 to 90 per cent and adding almost 1 million square feet of space to the market;
 - increasing Shannon Heritage visitor numbers to 963,000 in 2019 from 377,000 in 2013;
 - delivery of an €18 million aircraft hangar, the first built in the State in almost 20 years; this investment has enabled the creation of in excess of 1,000 additional jobs in Shannon Free Zone;
- Shannon Group supports four in ten tourism jobs in Midwest;
- that in regard to the devastating impacts of Covid-19, in addition to supports announced in the Budget, the Government has put in place a comprehensive suite of cross-sectoral supports for companies of all sizes, including those in the aviation sector, which includes a wage subsidy scheme, grants, low-cost loans, commercial rates waiver (concluded on 27th September, 2020) and deferred tax liabilities; liquidity funding is also available through the Ireland Strategic Investment Fund (ISIF) Pandemic Stabilisation & Recovery Fund;
- the difficult decisions Shannon Group has had to take in recent months to reduce its costs and the impacts of these measures on the employees of the company which are deemed necessary to enable Shannon Group to secure the future of the airport so that it is well placed when the sector recovers from this crisis;
- the critical importance of national and regional connectivity both socially and economically;

the Government commits to:

- undertake an examination of the future viability and sustainability of Shannon Group, and is considering financial supports and any other measures that may be necessary and appropriate as part of a wider review of Shannon Group;
- ensure that Shannon Group is well positioned for the future particularly given the importance of Shannon Airport to the economy of the Midwest region and nationally;
- maintain Ireland's core strategic connectivity as it is essential for us as an island, for export businesses and for foreign direct investment;
- create conditions to encourage the development of new air routes, particularly to new and emerging markets, when conditions allow;
- ensure a high level of competition among airlines operating in the Irish market;
- ensure the regulatory framework for aviation reflects best international practice; and

- consider further targeted financial supports to help reinstate connectivity, promote regional development and sustainability in the aviation sector; this will feed into the Government's further plans to aid broader economic recovery at the appropriate time cognisant of prevailing public health advice."
