  - calls on all parties and groups in Seanad Éireann and Dáil Éireann to work to ensure the swift passage of the necessary Referendum Bill through the Oireachtas.”

2. “That Seanad Éireann:
- condemns the ruling by An Bord Pleanála to allow for the demolition of another historic Dublin landmark, The O’Rahilly’s house at 40 Herbert Park, Ballsbridge, Dublin 4, to make way for the development of luxury accommodation;
  - calls on the Minister for Housing, Local Government and Heritage to make a statement on the matter and on the need to protect our historical built heritage;
  - agrees that it is now more important than ever to take the initiative in order to ensure that further aspects of our history are not erased in the name of private profit, especially historic buildings and areas related to our revolutionary heritage;

given the preceding, as well as the fact that we are in the midst of commemorating the Decade of Centenaries:

- calls on the Government to purchase the remainder of the full terrace of houses on Moore Street, Dublin 1, not currently in State ownership, so that this important street can be fully developed into a revolutionary and cultural quarter worthy of the history of the area, that respectfully and proudly tells the story of the Easter Rising and the struggle for Irish freedom, as well as becoming a must-see tourist destination and place for study, research, education and understanding of our past, present and future.”

understands:

- the difficult circumstances faced by service providers in the context of Covid-19 and shares the concerns of the many workers and commuters who will be detrimentally impacted by Bus Éireann’s proposed move;

agrees:

- that it is unacceptable that a sustainable funding plan has not been put in place for our public transport network during the ongoing pandemic;

and calls:

- on the Minister for Climate Action, Communications Networks and Transport, and the Government to urgently intervene in order to ensure that Bus Éireann has adequate funding to maintain these crucial routes.”

4. “That Seanad Éireann:

acknowledges:

- families, carers and service providers have been stretched to incredible lengths, many to breaking point throughout the course of this pandemic;
- the personal toll and long-term impact of the withdrawal of care and supports for people with disabilities, their families and their carers is deeply worrying;
- due to Covid-19, disability services that rely on voluntary fundraising to meet operating costs have been unable to do so;
- services are suffering from chronic underfunding which has resulted in unmet need exacerbated by Covid-19;
- reopened disability day services are operating at approximately 40 per cent capacity;
- service providers submitted their funding requirements to the Health Service Executive in mid-June; and

- the Government's allocation of €10 million in additional funding to day services and home support services for disability service users is insufficient and will not meet the urgent Covid-19 related costs for service providers, community and home support;

recognises:

- that Ireland's ratification of the United Nations Convention on the Rights of Persons with Disabilities requires progressive implementation; and
- the innovative and committed response of disability and dementia service providers in the delivery of care and support for people with disabilities and their families throughout this pandemic; and

calls on the Government to:

- provide the funding required to fully reopen day and other essential disability services to implement all Covid-19 related protocols; and
- provide the additional funding, resources and capital investment required to guarantee sustainable capacity within disability and dementia services.”

6. “That Seanad Éireann:

acknowledges that:

- Ireland recognises the contribution young people make to our society, including volunteering in their communities and through their advocacy on national and global issues;
- the Thirty-first Amendment of the Constitution enshrined the rights of the child in Irish law;
- the establishment of the Department of Children, Equality, Disability, Integration and Youth was the express provision by Government to ensure the vindication of those rights;

- year on year since the establishment of the Department it has received increased funding; we welcome the increase of €5m in funding for youth services in Budget 2021, bringing the annual investment to €70m in funding for youth services nationwide, to benefit youth organisations and their work supporting young people throughout the country;
- the youth of our country have been stoic in the face of considerable challenges to their quality of life and opportunity throughout this pandemic;
- youth can be often portrayed negatively; we strongly reject this unfair characterisation of young people, and instead commend young people as they navigate the unique challenges they experience, for instance they cannot meet in each other's homes, they cannot meet in their youth and sports activities, they have no social outlet, and have been denied some of the events that are their rite of passage;
- young people have been disproportionately impacted in their ability to work and earn their own money, and consequently disadvantaged in their own agency during this pandemic;

calls on the Government to:

- recognise the unique challenges affecting our country's youth;
- create channels of engagement, traditional or otherwise, to ensure that the voice of young people and their needs are respected and heard;
- take action in accordance with their needs, as expressed by them.”

7. “That Seanad Éireann:

- recalls the brutal murder of solicitor, Patrick Finucane, at his home in Belfast on 12th February, 1989;
- notes the evidence of collusion between loyalist paramilitaries, the British Army and the Royal Ulster Constabulary in the murder of Mr. Finucane;
- recalls the commitments made at the Weston Park talks in July, 2001, by the British Government to hold a public inquiry into the Finucane case, if so recommended by the Honourable Judge Peter Cory, it being clearly understood that such an inquiry would be consistent with the principles governing the Tribunals of Inquiry (Evidence) Act 1921;
- notes that Judge Cory found sufficient evidence of collusion to warrant a public inquiry into the case and recommended that such an inquiry take place without delay;
- recalls that, in his conclusions, Judge Cory set out the necessity and importance of a public inquiry in this case and that the failure to hold a public inquiry as quickly as possible could be seen as a denial of the agreement at Weston Park;
- deeply regrets the British Government's failure to honour its commitment to implement Judge Cory's recommendation in full and welcomes the sustained support of successive Irish Governments and all political parties for the Finucane family over the past decade in their efforts to find the truth behind the murder;
- notes the judgment of the European Court of Human Rights (ECHR) in Strasbourg in October, 2003, that proceedings following the death of Patrick Finucane failed to provide a prompt and effective investigation into the allegations of collusion by security forces' personnel in the murder;
- notes that in the 2012 review of the circumstances surrounding the murder of Patrick Finucane, Sir Desmond De Silva, QC, concluded firmly that British State Agents were involved in the targeting of Patrick Finucane and further that he was 'in significant doubt as to whether Patrick Finucane would have been murdered ... in February, 1989, had it not been for the different strands of involvement by elements of the [British] State';
- notes the judgment of the UK Supreme Court in February, 2019, that the British State has, to date, failed to conduct a proper public inquiry into the murder of Patrick Finucane that complies with its legal obligations under Article 2 of the ECHR;
- welcomes the commitment and efforts of An Taoiseach and the Minister for Foreign Affairs in pursuing the Patrick Finucane case with the Secretary of State for Northern Ireland and British Prime Minister Boris Johnson;
- endorses the Government's ongoing international efforts at highlighting the case at the Council of Europe in Strasbourg and at the United Nations;
- calls on the British Government to consider its position on the Finucane case to take full account of the judgments of the UK Supreme Court and the ECHR, as well as the inescapable significance of the murder of Pat Finucane to the people of Ireland,

North and South, and the wider international community of democratic nations; and

- calls for the immediate establishment of a full, independent, public judicial inquiry into the murder of Pat Finucane, as recommended by Judge Cory, which would enjoy the full co-operation of the Finucane family and command the respect and confidence of all of the people on the island of Ireland and all persons committed to democracy, human rights and the rule of law worldwide.”
- *Senators Niall Ó Donnghaile, Lynn Boylan, Paul Gavan, Fintan Warfield, Victor Boyhan, Sharon Keogan, Michael McDowell, David Norris, Vincent P. Martin, Ivana Bacik, Annie Hoey, Rebecca Moynihan, Marie Sherlock, Mark Wall, Frances Black, Alice-Mary Higgins.*
