26. *Tairiscintí nach ón Rialtas:*
Non-Government Motions:

1. “That Seanad Éireann:
- calls on the Government to set a date for the long-promised referendum on extending the right to vote in presidential elections to citizens resident outside the State, as set out in the Programme for Government; and
 - calls on all parties and groups in Seanad Éireann and Dáil Éireann to work to ensure the swift passage of the necessary Referendum Bill through the Oireachtas.”
- *Senators Niall Ó Donnghaile, Lynn Boylan, Paul Gavan, Fintan Warfield.*
[6th July, 2020]
-

2. “That Seanad Éireann:
- condemns the ruling by An Bord Pleanála to allow for the demolition of another historic Dublin landmark, The O’Rahilly’s house at 40 Herbert Park, Ballsbridge, Dublin 4, to make way for the development of luxury accommodation;
 - calls on the Minister for Housing, Local Government and Heritage to make a statement on the matter and on the need to protect our historical built heritage;
 - agrees that it is now more important than ever to take the initiative in order to ensure that further aspects of our history are not erased in the name of private profit, especially

historic buildings and areas related to our revolutionary heritage;

given the preceding, as well as the fact that we are in the midst of commemorating the Decade of Centenaries:

- calls on the Government to purchase the remainder of the full terrace of houses on Moore Street, Dublin 1, not currently in State ownership, so that this important street can be fully developed into a revolutionary and cultural quarter worthy of the history of the area, that respectfully and proudly tells the story of the Easter Rising and the struggle for Irish freedom, as well as becoming a must-see tourist destination and place for study, research, education and understanding of our past, present and future.”

– *Senators Niall Ó Donnghaile, Lynn Boylan, Paul Gavan, Fintan Warfield, Victor Boyhan.*

[14th September, 2020]

3. “That Seanad Éireann:

notes:

- with deep concern and disappointment, the recent announcement by Bus Éireann that it proposes to suspend several ‘Expressway’ routes between Dublin and other cities across the island;
- the significant economic, social and environmental impact the removal of these services will have on the communities and areas most impacted and the wider implications throughout the rest of Ireland;

understands:

- the difficult circumstances faced by service providers in the context of Covid-19 and shares the concerns of the many workers and commuters who will be detrimentally impacted by Bus Éireann’s proposed move;

agrees:

- that it is unacceptable that a sustainable funding plan has not been put in place for our public transport network during the ongoing pandemic;

and calls:

- on the Minister for Climate Action, Communications Networks and Transport, and the Government to urgently intervene in order to ensure that Bus Éireann has adequate funding to maintain these crucial routes.”

– *Senators Niall Ó Donnghaile, Lynn Boylan, Paul Gavan, Fintan Warfield.*

[29th September, 2020]

4. “That Seanad Éireann:

acknowledges:

- families, carers and service providers have been stretched to incredible lengths, many

to breaking point throughout the course of this pandemic;

- the personal toll and long-term impact of the withdrawal of care and supports for people with disabilities, their families and their carers is deeply worrying;
- due to Covid-19, disability services that rely on voluntary fundraising to meet operating costs have been unable to do so;
- services are suffering from chronic underfunding which has resulted in unmet need exacerbated by Covid-19;
- reopened disability day services are operating at approximately 40 per cent capacity;
- service providers submitted their funding requirements to the Health Service Executive in mid-June; and
- the Government's allocation of €10 million in additional funding to day services and home support services for disability service users is insufficient and will not meet the urgent Covid-19 related costs for service providers, community and home support;

recognises:

- that Ireland's ratification of the United Nations Convention on the Rights of Persons with Disabilities requires progressive implementation; and
- the innovative and committed response of disability and dementia service providers in the delivery of care and support for people with disabilities and their families throughout this pandemic; and

calls on the Government to:

- provide the funding required to fully reopen day and other essential disability services to implement all Covid-19 related protocols; and
- provide the additional funding, resources and capital investment required to guarantee sustainable capacity within disability and dementia services.”

5. “That Seanad Éireann, in recognising the gallantry of the soldiers of ‘A’ company during the siege of Jadotville in 1961, calls on the Minister for Defence to award Distinguished Service Medals and Military Medals for Gallantry to the men of ‘A’ company, 35th Infantry Battalion.”

– *Senators Ivana Bacik, Annie Hoey, Rebecca Moynihan, Marie Sherlock, Mark Wall, Niall Ó Donnghaile, Lynn Boylan, Paul Gavan, Fintan Warfield, Gerard Craughwell, Victor Boyhan, Alice-Mary Higgins, Frances Black, Rónán Mullen, Eileen Flynn.*

[28th October, 2020]

6. “That Seanad Éireann:

acknowledges that:

- Ireland recognises the contribution young people make to our society, including volunteering in their communities and through their advocacy on national and global issues;
- the Thirty-first Amendment of the Constitution enshrined the rights of the child in Irish law;
- the establishment of the Department of Children, Equality, Disability, Integration and Youth was the express provision by Government to ensure the vindication of those rights;
- year on year since the establishment of the Department it has received increased funding; we welcome the increase of €5m in funding for youth services in Budget 2021, bringing the annual investment to €70m in funding for youth services nationwide, to benefit youth organisations and their work supporting young people throughout the country;
- the youth of our country have been stoic in the face of considerable challenges to their quality of life and opportunity throughout this pandemic;
- youth can be often portrayed negatively; we strongly reject this unfair characterisation of young people, and instead commend young people as they navigate the unique challenges they experience, for instance they cannot meet in each other’s homes, they cannot meet in their youth and sports activities, they have no social outlet, and have been denied some of the events that are their rite of passage;
- young people have been disproportionately impacted in their ability to work and earn their own money, and consequently disadvantaged in their own agency during this pandemic;

calls on the Government to:

- recognise the unique challenges affecting our country’s youth;
- create channels of engagement, traditional or otherwise, to ensure that the voice of young people and their needs are respected and heard;
- take action in accordance with their needs, as expressed by them.”
– *Senators Mary Seery Kearney, Regina Doherty, Sean Kyne, Garret Ahearn, Micheál Carrigy, Martin Conway, Emer Currie, Aisling Dolan, Tim Lombard, John McGahon, Joe O’Reilly, Barry Ward.*

[6th November, 2020

Leasuithe:

Amendments:

1. To insert the following after “their needs are respected and heard;”:

“- facilitate the direct political participation and empowerment of young people by lowering

the voting age to 16;”

– *Senators Lynn Ruane, Alice-Mary Higgins, Eileen Flynn, Frances Black, Niall Ó Donnghaile, Lynn Boylan, Paul Gavan, Fintan Warfield, Victor Boyhan.*

2. To insert the following after “as expressed by them.”:

“– actively pursue the implementation of the recommendations contained in the Ombudsman for Children’s Annual Report 2019, as well as those of the Children’s Rights Alliance Report Card 2020, and to lay a report before Seanad Éireann on such implementation no later than 1st March, 2021.”

– *Senators Victor Boyhan, Michael McDowell, Sharon Keogan, David Norris.*

[9th November, 2020]

7. “That Seanad Éireann:

recognises that:

- post offices serve a vital social and economic role in their communities;
- there is a very specific commitment in the Programme for Government to protect the postal network;
- rural and small urban post offices, which are mostly run by independent postmasters, have had their income and footfall greatly reduced;
- many small post offices are now operating on the equivalent of the national minimum wage;
- Grant Thornton has predicted that 885 post offices will cease to exist by July 2021; and
- if footfall and incomes are not improved then the post office network will be decimated; and

calls on the Government to:

- act on its commitment as outlined in the Programme for Government;
- implement an action plan for the post office network within three months;
- implement a new community banking service operated by An Post to be made available in all post offices throughout the country; this post community bank could be based on either the New Zealand Kiwibank model or the German Sparkassen model, both of which have been found to be valid models;
- consider a once-off capital investment fund for the further modernisation of the post office network to enable the widespread provision of banking services in rural and disadvantaged urban areas, most of which have been completely abandoned by the current banking model;
- ensure that the provision of all over-the-counter services relating to Government

Departments must be tendered for on the basis of both social and economic grounds, to include rural Ireland in any future growth;

- ensure that all business previously identified by Grant Thornton, the former Oireachtas Joint Committee on Transport and Communications and the Post Office Network Business Development Group must be implemented;
 - establish a working group to identify the potential for local post offices to act as hubs to facilitate other services such as health, transport, agriculture, etc., and to act as a one-stop-shop for Government services as committed to in the Programme for Government;
 - strongly consider committing funds, while the above measures are being implemented, to ensure no more downward pay reviews to post offices which will make them uneconomical and have the effect of closure by a thousand cuts;
 - ensure that a five-year holding plan will be put in place while these changes are being implemented or there will be no network left to salvage; and
 - recommends that An Post be invited before the Joint Committee on Transport and Communications Networks to outline their plan for the future of the post office network.”
- *Senators David Norris, Victor Boyhan, Gerard Craughwell, Sharon Keogan, Michael McDowell, Rónán Mullen, Frances Black.*
