Leasuithe:
Amendments:

1. To insert the following after “October, 2023”:

- “;
- that the Minister for Agriculture, Food and the Marine shall, within 3 months following the passing of this motion, lay a report before both Houses of the Oireachtas outlining the manner in which the obligation for rehoming under section 29 of the Greyhound Racing Act 2019 is being complied with”.

– *Senators Lynn Ruane, Frances Black, Eileen Flynn.*

[27th November, 2023]

2. To insert the following after “October, 2023”:

“;

- that the Minister for Agriculture, Food and the Marine shall, within 3 months following the passing of this motion, lay a report before both Houses of the Oireachtas outlining the potential for future regulations to split the Horse and Greyhound Fund into two separate funds”.

– *Senators Lynn Ruane, Frances Black, Eileen Flynn.*

[27th November, 2023]

3. To insert the following after “October, 2023”:

“;

- that the Minister for Agriculture, Food and the Marine shall, within 6 months following the passing of this motion, lay a report before both Houses of the Oireachtas outlining the manner in which the operation and dispersal of the Horse and Greyhound Fund has reflected the obligations under section 42 of the Irish Human Rights and Equality Commission Act 2014”.

– *Senators Lynn Ruane, Frances Black, Eileen Flynn.*

[27th November, 2023]

4. To insert the following after “October, 2023”:

“;

- that the Minister for Agriculture, Food and the Marine shall, within 6 months following the passing of this motion, lay a report before both Houses of the Oireachtas outlining the potential for a dedicated portion of the Fund to be allocated towards community projects which involve the care and protection of animals”.

– *Senators Lynn Ruane, Frances Black, Eileen Flynn.*

[27th November, 2023]

5. To insert the following after “That Seanad Éireann”:

“notes that:

- while it is acknowledged that the horse and greyhound racing sectors do not qualify for sports capital funding, they are unique in Irish sport in that they are supported by the State through their own ring-fenced statutory fund;
- that payments into the Fund have increased from €54 million in 2014 up to the €95 million proposed for 2024, an increase of 76% in a decade, with the proposed payment for 2024 an increase of a further €4 million over 2023;
- there is a question as to the continuing appropriateness of the indexation formula that is intended to provide a floor for Exchequer payments into the Fund, linked to receipts from excise duty on off-course betting;

- while up to 2009 the statutory indexation formula was followed, the Minister for Finance has confirmed that the formula was abandoned in 2009, without any enabling change in the Act, and that the approach since then has been for a unilateral decision by Government on the amount to be provided to the Fund in each year;
- a significant amount of the Fund is used for prizes, which seems to benefit those who are most successful, and no independent economic or social impact analysis has been carried out to determine the best use of this resource;
- although in the intervening years there have been reports of serious animal welfare concerns in both sectors, there is a lack of clear statutory conditionality that would make any State financial support conditional on rigorous animal welfare criteria being satisfied, nor are any conditions related to workers' rights in the sector attached to the funding;
- believes therefore that the funding model under section 12 of the Horse and Greyhound Racing Act 2001 is in urgent need of review and replacement, and calls on the Minister for Agriculture, Food and the Marine to carry out such a full and independent review of the Fund, including in particular with recommendations on:
 - how best to support these sectors, those involved in it, and rural communities,
 - measures needed to ensure the highest standards of animal welfare are implemented and complied with,
 - how the rights of workers in the sector can be improved and an employment regulation order introduced to set minimum rates of pay and conditions,
 - whether and how funding for these sectors and other sports should be aligned,

to be laid before both Houses within six months, with a view to amending legislation being in place well before the anticipated date of any further presentation of draft regulations under this section for the approval of the Houses.”.

[24th March, 2023]

6. “That Seanad Éireann:

deeply regrets and condemns:

- the killing of over 9,000 Palestinians in Gaza in recent weeks;
- that over 4,000 of those killed have been children;
- that the number of children killed in Gaza in recent weeks has surpassed the annual number of children killed across the world’s conflict zones since 2019;
- the killing of 1,400 Israeli citizens and the attacks by Hamas on Israeli civilians and the taking of hostages, including an estimated 30 children;
- that over 30 journalists have been killed in Gaza in recent weeks;
- that more than 60 United Nations staff have been killed in Gaza in recent weeks;
- the killing of over 100 Palestinians and the displacement of 858 Palestinians and 13 entire communities in the West Bank in recent weeks due to increasing illegal Israeli settler violence;
- Israel’s cutting off of food, water and electricity to Gaza and the cutting off of telecommunications to and from Gaza;
- the forcible displacement of civilians in Gaza and the aerial bombardment of routes used by displaced civilians;
- the targeting of critical infrastructure in Gaza and the orders from the Israeli Defence Forces to evacuate hospitals, placing further strain on a healthcare system on the brink of collapse;

notes with extreme concern:

- that the Israeli Government’s actions amount to collective punishment of the 2.3 million Palestinians in Gaza, which is a violation of international law, in particular the Geneva Conventions;
- the actions of the Israeli Government in recent weeks and the rhetoric of their political leaders indicating the intention to escalate which will lead to more death and destruction in Gaza;

- that Human Rights Watch and Amnesty International have confirmed the use of white phosphorous by Israel in civilian areas of Gaza;
- that there are approximately 50,000 pregnant women in Gaza according to the United Nations Population Fund who lack access to essential maternal healthcare, and that for the approximately 150 women per day giving birth in Gaza there is no access to clean water;
- that the Israeli Government has bombed at least three refugee camps;
- that while some humanitarian aid is now entering Gaza, it falls far short of the 100 trucks per day of humanitarian aid which international aid agencies estimate is necessary to meet the basic humanitarian needs of the people of Gaza;
- that the Rafah Crossing has only been opened to allow an estimated 500 foreign nationals and dual citizens to leave Gaza, and many who wish to leave or are eligible to leave, are not able to make the journey due to the aerial bombardment and destruction of roads;
- the failure of many in the international community to hold Israel to account for their actions in breach of international law and the unwillingness of many countries/entities, including the United States, the United Kingdom and the Council of the European Union, to call for a ceasefire;
- that the Council of the European Union has failed to be consistent in seeking application of international law, and by its double standards, has engaged in acts of gross hypocrisy and moral failure;
- that the Israeli Government has refused to recognise the authority of the International Criminal Court;
- that the actions of the Israeli Government have been described as a 'text-book case of genocide' by prominent human rights lawyer and former Director of the New York Office of the United Nations High Commissioner on Human Rights Craig Mokhiber;
- that there has been significant repression by Israeli authorities of demonstrations expressing solidarity with the Palestinian people;
- that there has been significant repression of demonstrations expressing solidarity with the Palestinian people across Europe and such repression violates Article 10 and Article 11 of the European Convention on Human Rights;

further notes:

- that Article 33 of the Geneva Conventions prohibits collective punishment;
- that Article 51 of Additional Protocol 1 of the Geneva Conventions requires the protection of the civilian population and prohibits indiscriminate attacks which result in civilian injury or loss of life;
- that the rights and obligations under the United Nations Charter apply equally to all, including the obligation to pursue peace;

- the United Nations General Assembly Resolution ES-10/21;
- that the Seanad has passed the Control of Economic Activity (Occupied Territories) Bill 2018, and the legislation is awaiting passage in Dáil Éireann;
- that since the Oslo Accords were signed, there are now four times as many illegal Israeli settlements;
- that the United Nations Special Rapporteur for the situation of human rights in the Palestinian territory occupied since 1967, Michael Lynk, has stated that ‘apartheid is being practiced by Israel in the occupied Palestinian territory’;
- the 2022 report from Amnesty International entitled ‘Israel’s Apartheid Against Palestinians: Cruel System of Domination and Crime Against Humanity’;

calls on the Government to:

- continue to advocate at international level and through all available diplomatic channels for a ceasefire;
- continue to provide and advocate for increased humanitarian aid and use all diplomatic tools available to ensure necessary levels of humanitarian aid are reaching Gaza;
- support diplomatic and political efforts for a wider opening of the Rafah Crossing;
- use all diplomatic and political tools available, including the imposition of sanctions, to put pressure on Israel to end their aerial bombardment and blockade of Gaza and their wider breaches of international law;
- support diplomatic and political efforts to secure the release of hostages and an end to attacks on civilians by Hamas in breach of international law;
- apply and seek the application of international law in a consistent manner;
- support ongoing and emerging investigations by the International Criminal Court, including investigations into actions by Israel and Hamas in recent weeks;
- provide a money message for the Control of Economic Activity (Occupied Territories) Bill 2018 and support its enactment;
- reaffirm and redouble efforts to create a lasting peace that includes a two-state solution with respect for international law and human rights, the dismantling of the system of apartheid in Israel, the end of the illegal occupation of the West Bank and East Jerusalem, and an end to the blockade of Gaza;

calls on the Council of the European Union to:

- advocate for and support a ceasefire through all available diplomatic channels and international fora;
- use all political and diplomatic tools available, including sanctions, to put pressure on Israel to end their aerial bombardment and blockade of Gaza and their wider breaches of international law;

- support diplomatic and political efforts to secure the release of hostages and an end to attacks on civilians by Hamas in breach of international law;
 - apply and seek the application of international law in a consistent manner;
 - support ongoing and emerging investigations by the International Criminal Court into Israel and Hamas;
 - substantially increase levels of humanitarian aid to Palestine, including aid for reproductive healthcare, and for the opening of additional humanitarian corridors;
 - support diplomatic and political efforts to secure a wider opening of the Rafah Crossing;
 - reaffirm and redouble efforts to create a lasting peace that includes a two-state solution with respect for international law and human rights, the dismantling of the system of apartheid in Israel, the end of the illegal occupation of the West Bank and East Jerusalem, and an end to the blockade of Gaza;
 - ensure that European Union Member States are not infringing Article 10 or Article 11 of the European Convention on Human Rights and that the right to protest and express solidarity is not being repressed.”
