– *Senators Michael McDowell, Victor Boyhan, Sharon Keogan, Gerard P. Craughwell, David Norris, Tom Clonan, Rónán Mullen.*

**[24th March, 2023]**

6. “That Seanad Éireann:

deeply regrets and condemns:

- the killing of over 9,000 Palestinians in Gaza in recent weeks;
- that over 4,000 of those killed have been children;
- that the number of children killed in Gaza in recent weeks has surpassed the annual number of children killed across the world’s conflict zones since 2019;
- the killing of 1,400 Israeli citizens and the attacks by Hamas on Israeli civilians and the taking of hostages, including an estimated 30 children;
- that over 30 journalists have been killed in Gaza in recent weeks;
- that more than 60 United Nations staff have been killed in Gaza in recent weeks;
- the killing of over 100 Palestinians and the displacement of 858 Palestinians and 13 entire communities in the West Bank in recent weeks due to increasing illegal Israeli settler violence;
- Israel’s cutting off of food, water and electricity to Gaza and the cutting off of telecommunications to and from Gaza;
- the forcible displacement of civilians in Gaza and the aerial bombardment of routes used by displaced civilians;
- the targeting of critical infrastructure in Gaza and the orders from the Israeli Defence Forces to evacuate hospitals, placing further strain on a healthcare system on the brink of collapse;

notes with extreme concern:

- that the Israeli Government’s actions amount to collective punishment of the 2.3 million Palestinians in Gaza, which is a violation of international law, in particular the Geneva Conventions;
- the actions of the Israeli Government in recent weeks and the rhetoric of their political leaders indicating the intention to escalate which will lead to more death and destruction in Gaza;
- that Human Rights Watch and Amnesty International have confirmed the use of white phosphorous by Israel in civilian areas of Gaza;
- that there are approximately 50,000 pregnant women in Gaza according to the United Nations Population Fund who lack access to essential maternal healthcare, and that for the approximately 150 women per day giving birth in Gaza there is no access to clean water;

- that the Israeli Government has bombed at least three refugee camps;
- that while some humanitarian aid is now entering Gaza, it falls far short of the 100 trucks per day of humanitarian aid which international aid agencies estimate is necessary to meet the basic humanitarian needs of the people of Gaza;
- that the Rafah Crossing has only been opened to allow an estimated 500 foreign nationals and dual citizens to leave Gaza, and many who wish to leave or are eligible to leave, are not able to make the journey due to the aerial bombardment and destruction of roads;
- the failure of many in the international community to hold Israel to account for their actions in breach of international law and the unwillingness of many countries/entities, including the United States, the United Kingdom and the Council of the European Union, to call for a ceasefire;
- that the Council of the European Union has failed to be consistent in seeking application of international law, and by its double standards, has engaged in acts of gross hypocrisy and moral failure;
- that the Israeli Government has refused to recognise the authority of the International Criminal Court;
- that the actions of the Israeli Government have been described as a ‘text-book case of genocide’ by prominent human rights lawyer and former Director of the New York Office of the United Nations High Commissioner on Human Rights Craig Mokhiber;
- that there has been significant repression by Israeli authorities of demonstrations expressing solidarity with the Palestinian people;
- that there has been significant repression of demonstrations expressing solidarity with the Palestinian people across Europe and such repression violates Article 10 and Article 11 of the European Convention on Human Rights;

further notes:

- that Article 33 of the Geneva Conventions prohibits collective punishment;
- that Article 51 of Additional Protocol 1 of the Geneva Conventions requires the protection of the civilian population and prohibits indiscriminate attacks which result in civilian injury or loss of life;
- that the rights and obligations under the United Nations Charter apply equally to all, including the obligation to pursue peace;
- the United Nations General Assembly Resolution ES-10/21;
- that the Seanad has passed the Control of Economic Activity (Occupied Territories) Bill 2018, and the legislation is awaiting passage in Dáil Éireann;
- that since the Oslo Accords were signed, there are now four times as many illegal Israeli settlements;

- that the United Nations Special Rapporteur for the situation of human rights in the Palestinian territory occupied since 1967, Michael Lynk, has stated that ‘apartheid is being practiced by Israel in the occupied Palestinian territory’;
- the 2022 report from Amnesty International entitled ‘Israel’s Apartheid Against Palestinians: Cruel System of Domination and Crime Against Humanity’;

calls on the Government to:

- continue to advocate at international level and through all available diplomatic channels for a ceasefire;
- continue to provide and advocate for increased humanitarian aid and use all diplomatic tools available to ensure necessary levels of humanitarian aid are reaching Gaza;
- support diplomatic and political efforts for a wider opening of the Rafah Crossing;
- use all diplomatic and political tools available, including the imposition of sanctions, to put pressure on Israel to end their aerial bombardment and blockade of Gaza and their wider breaches of international law;
- support diplomatic and political efforts to secure the release of hostages and an end to attacks on civilians by Hamas in breach of international law;
- apply and seek the application of international law in a consistent manner;
- support ongoing and emerging investigations by the International Criminal Court, including investigations into actions by Israel and Hamas in recent weeks;
- provide a money message for the Control of Economic Activity (Occupied Territories) Bill 2018 and support its enactment;
- reaffirm and redouble efforts to create a lasting peace that includes a two-state solution with respect for international law and human rights, the dismantling of the system of apartheid in Israel, the end of the illegal occupation of the West Bank and East Jerusalem, and an end to the blockade of Gaza;

calls on the Council of the European Union to:

- advocate for and support a ceasefire through all available diplomatic channels and international fora;
- use all political and diplomatic tools available, including sanctions, to put pressure on Israel to end their aerial bombardment and blockade of Gaza and their wider breaches of international law;
- support diplomatic and political efforts to secure the release of hostages and an end to attacks on civilians by Hamas in breach of international law;
- apply and seek the application of international law in a consistent manner;
- support ongoing and emerging investigations by the International Criminal Court into Israel and Hamas;

- substantially increase levels of humanitarian aid to Palestine, including aid for reproductive healthcare, and for the opening of additional humanitarian corridors;
  - support diplomatic and political efforts to secure a wider opening of the Rafah Crossing;
  - reaffirm and redouble efforts to create a lasting peace that includes a two-state solution with respect for international law and human rights, the dismantling of the system of apartheid in Israel, the end of the illegal occupation of the West Bank and East Jerusalem, and an end to the blockade of Gaza;
  - ensure that European Union Member States are not infringing Article 10 or Article 11 of the European Convention on Human Rights and that the right to protest and express solidarity is not being repressed.”
